VAEL ♡ BLAKE

... there is a house there...

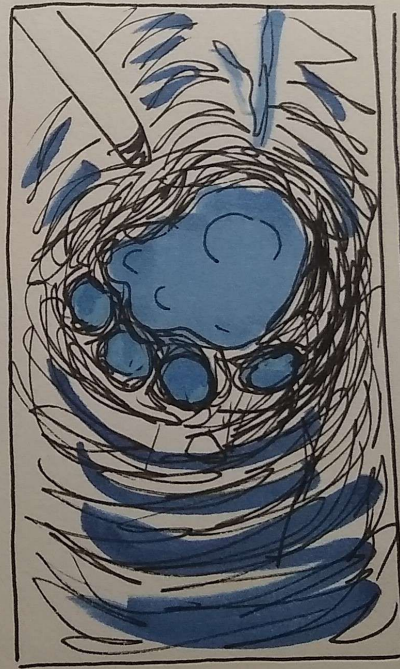

Should we look at it?

- nah, lets leave it

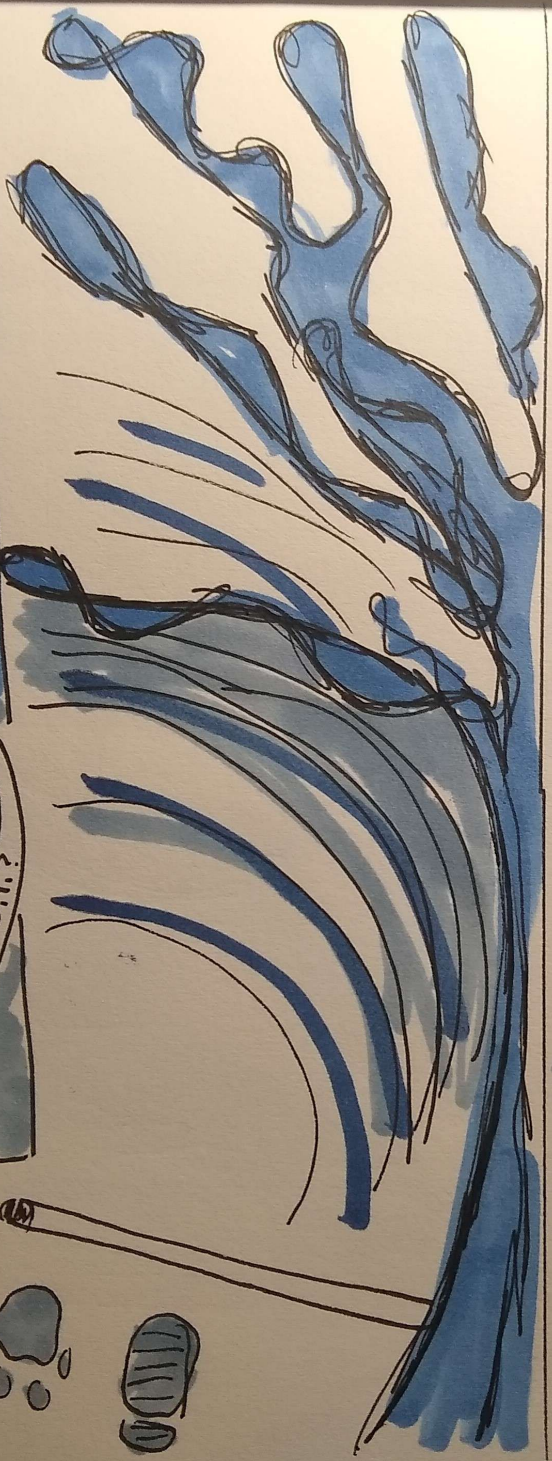

... With boards broken from generations of travesties...

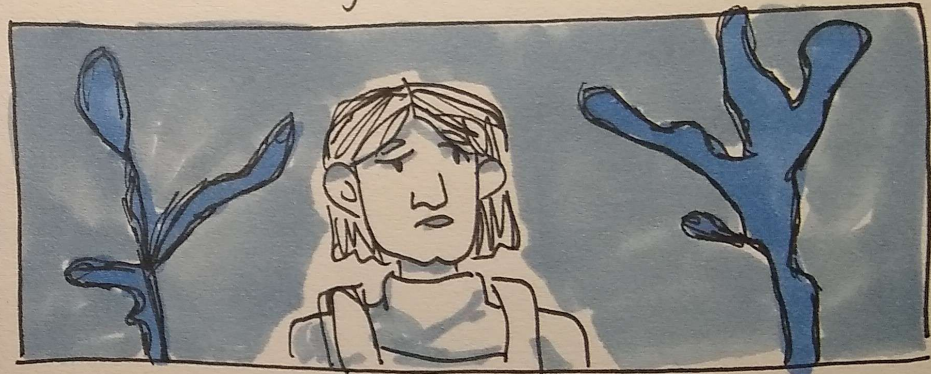

...the trees there are not friends...

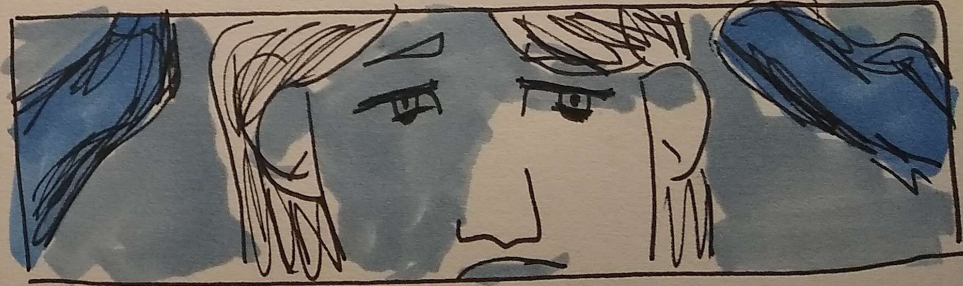

... and leave gaps for lost souls to fall through.

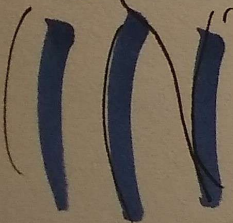

When the forest grows quiet at night...

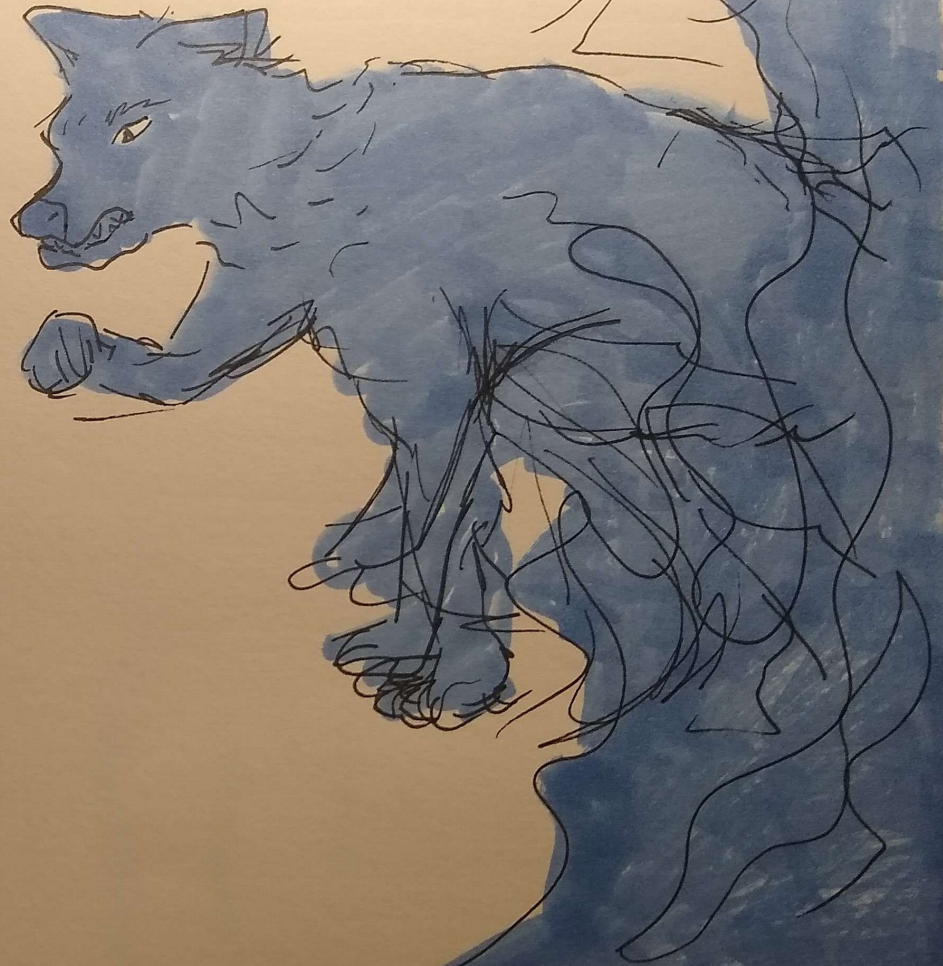

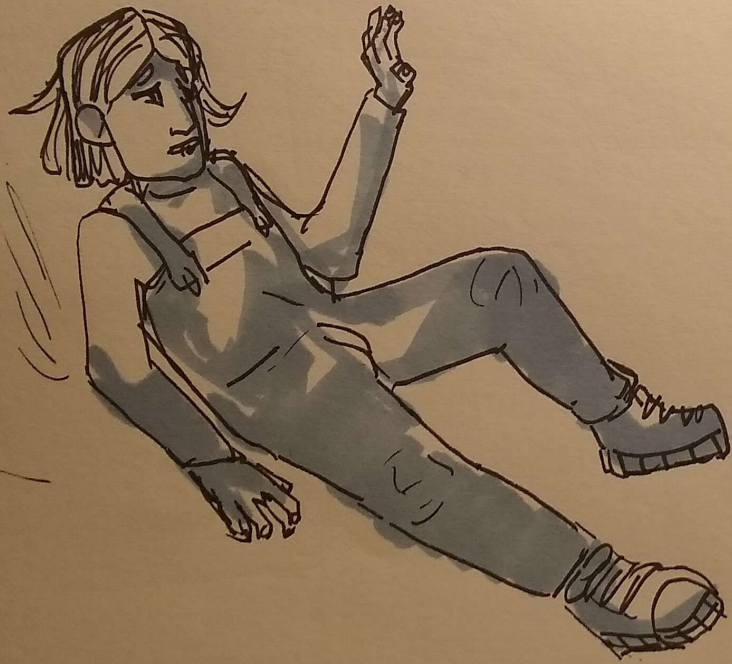

... you have to know not to trust it...

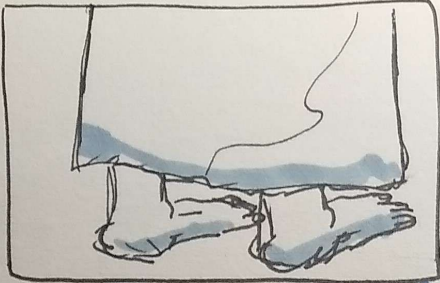

The trees have a lot of secrets...

... and never stay silent for long

This is your house?

It is. As I said, I found your friend and then went to find you all as well to lead you out again

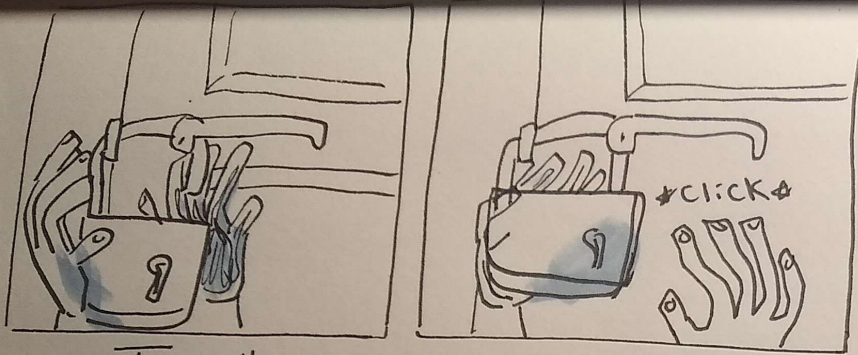

Why not just bring Bili to us if you found us so easily?

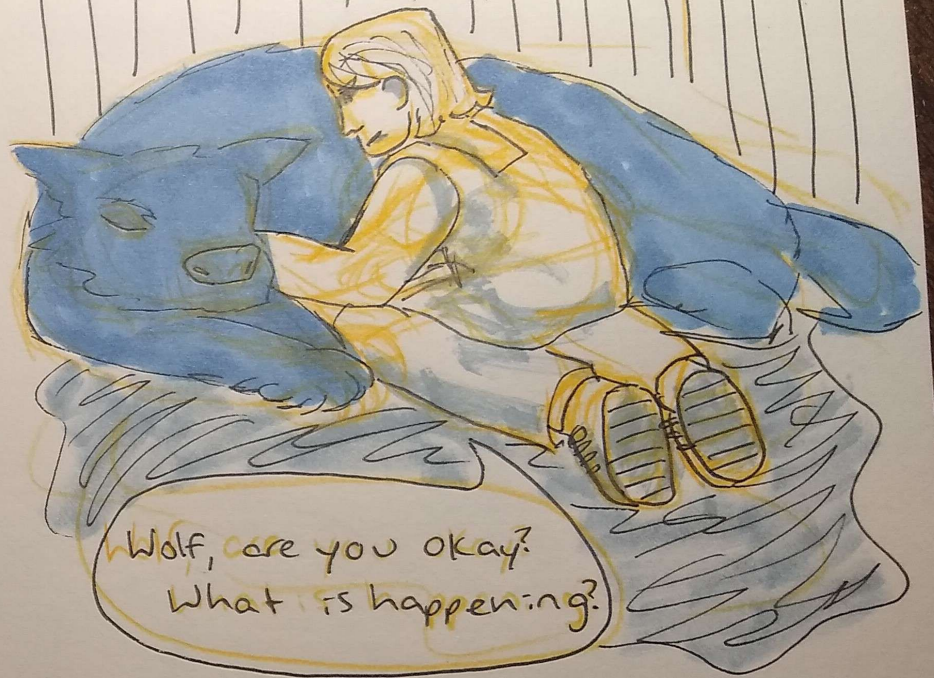

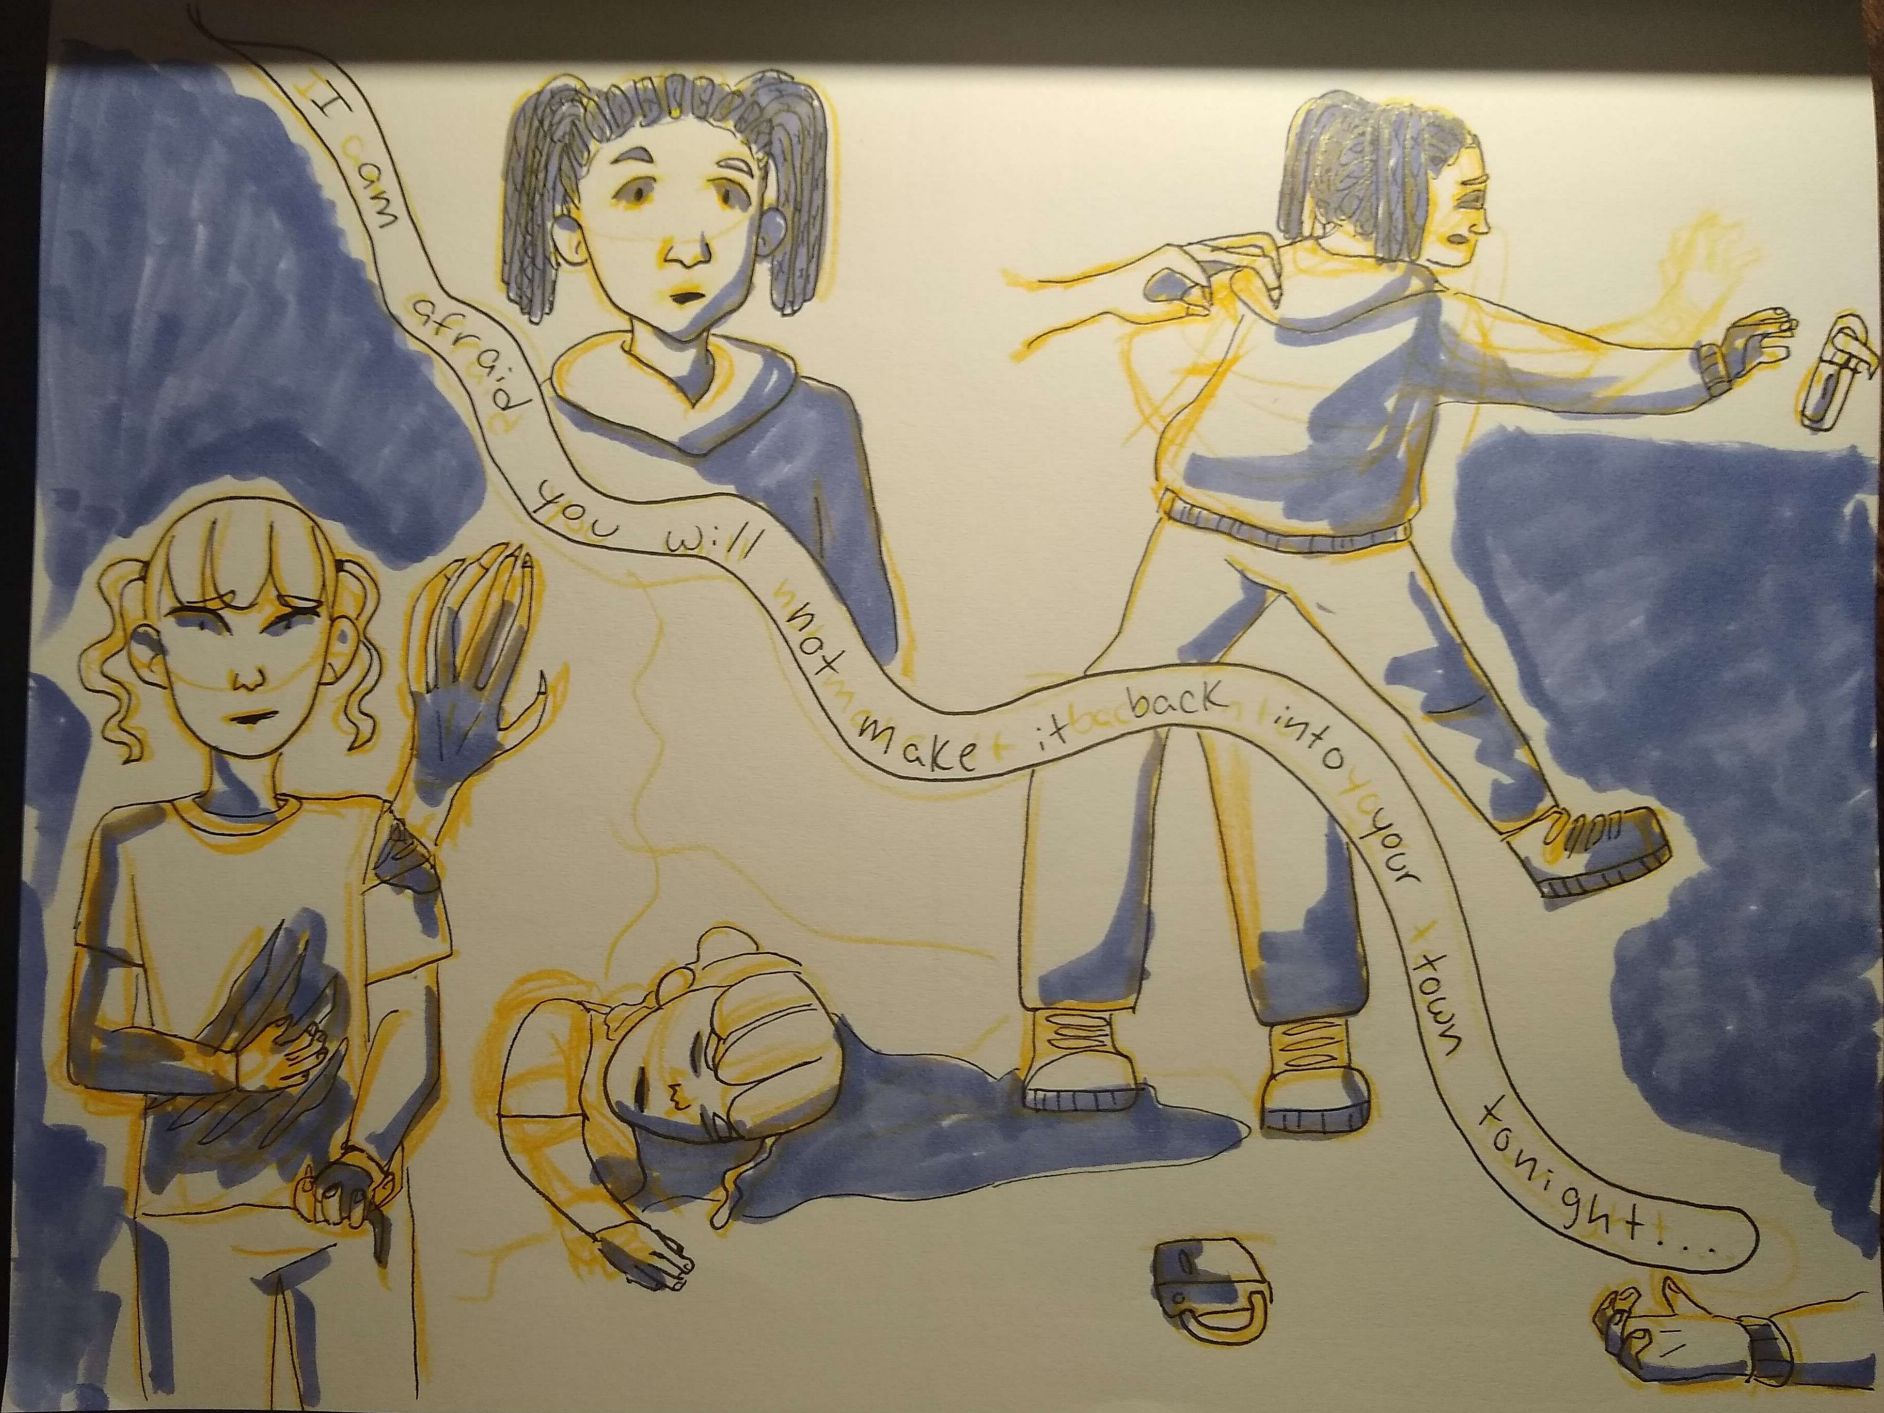

I found your friend quite injured. They could not make this trip. You will rest here while I help them and then-

I will make sure you never leave

I am afraid you will not make it back into your town tonight...

What do you mean?
I'm unharmed!
I just need to
get to my friends
but you...

Child, if I am
here with you - somehow
still breathing - it
is much too late
for your friends. She will already
