

i've always
really liked these
warm areas.
I love shaping
them and creating
little stories with
them.
They make
me happy!
How about you?

Because I hate
snivelling little babies
like you.

There's nothing worse
than a childish
coward like you.

I could smell the
weakness on you
when you arrived.

You
better
learn some
grown-up
magic soon
and put that
other crap
behind you.

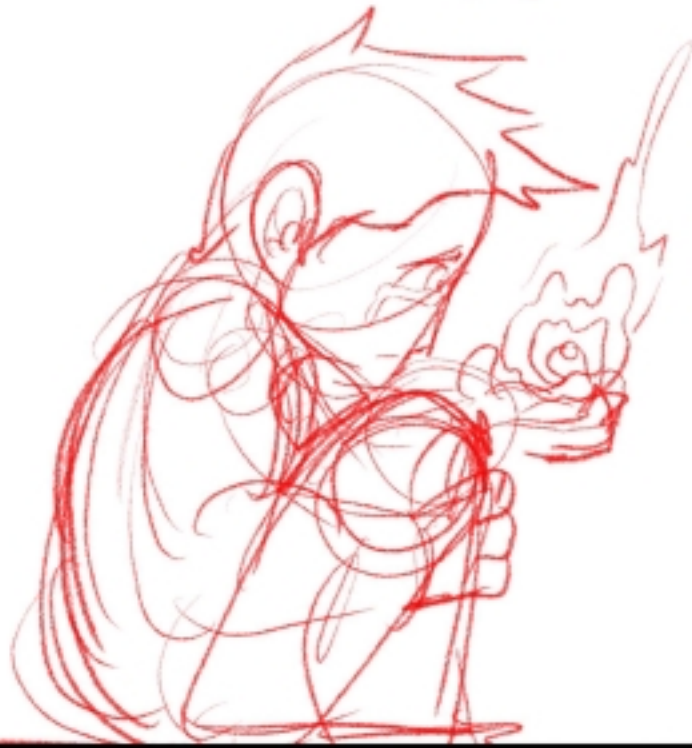

Or I'mma
teach you
another
lesson.

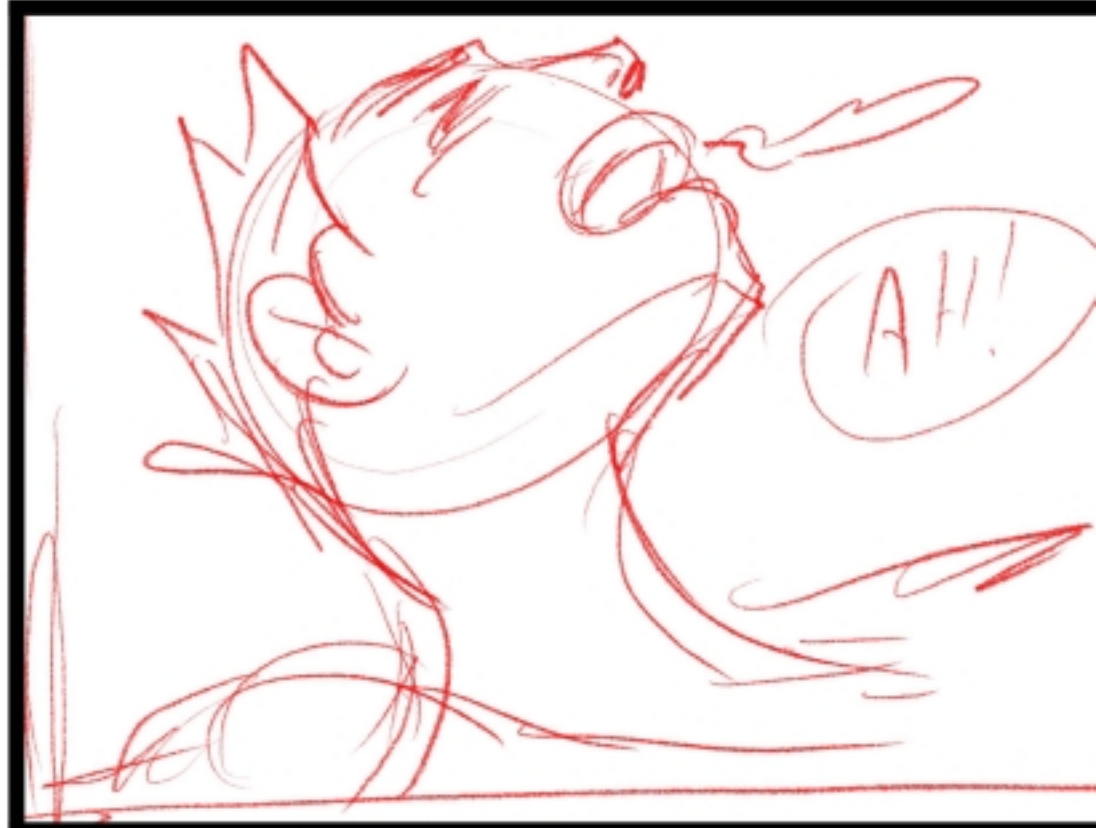

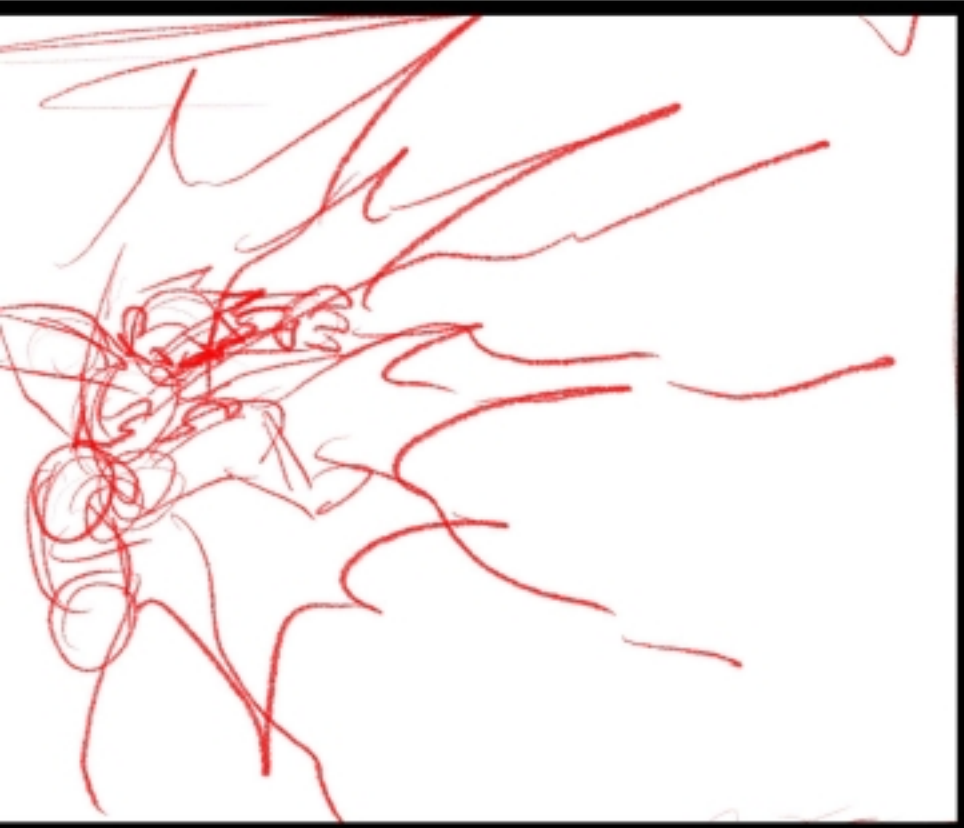

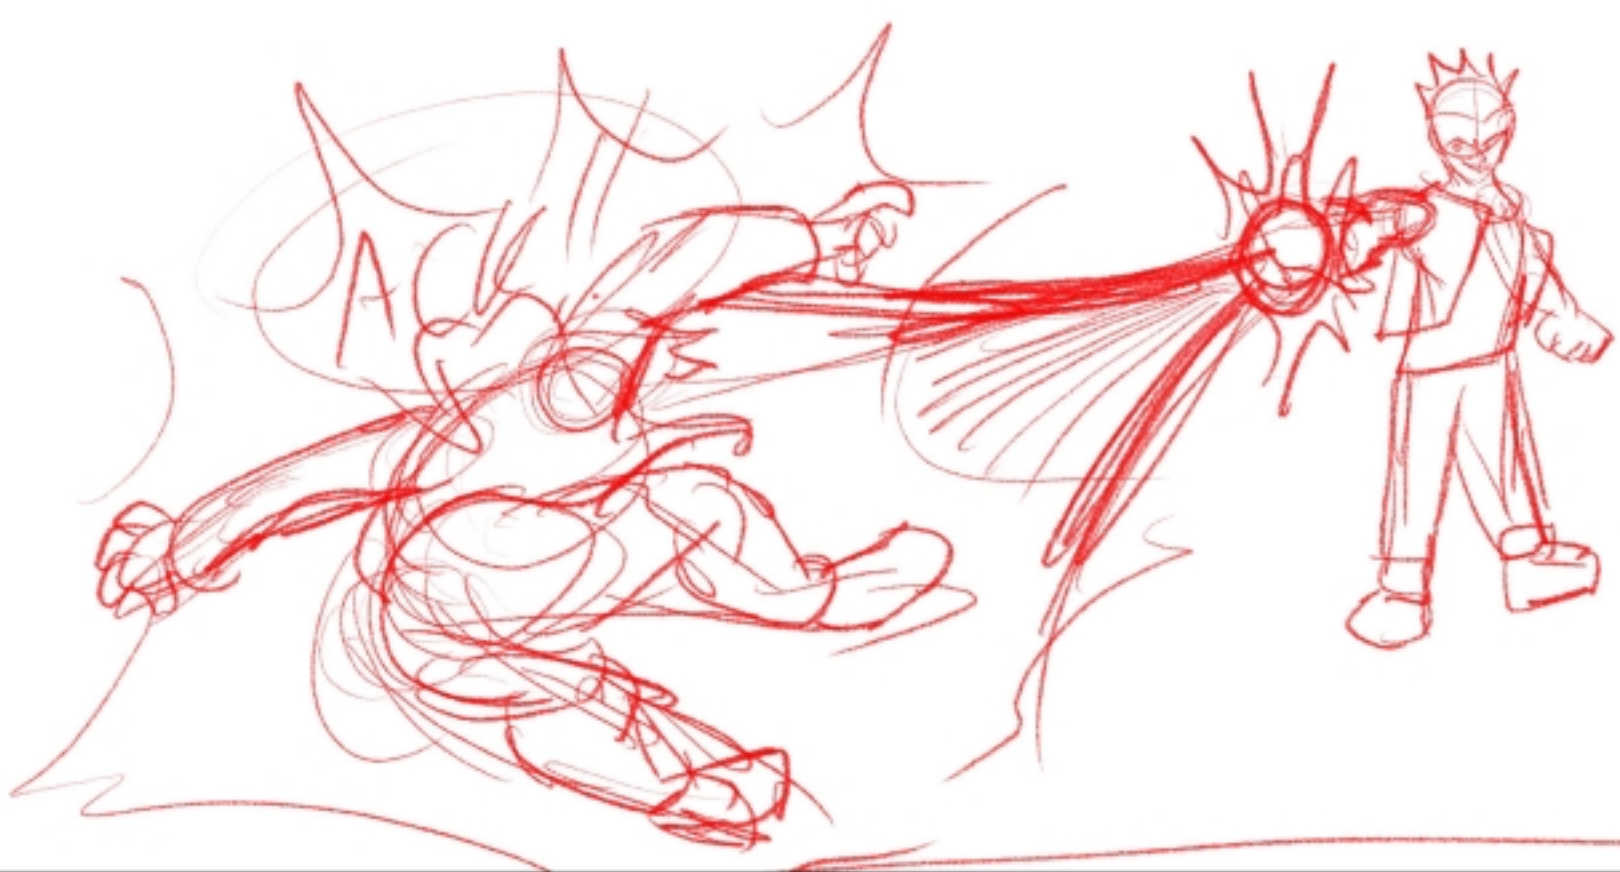

Oh, and welcome
to town. I'm Pus.
Have a great
day.

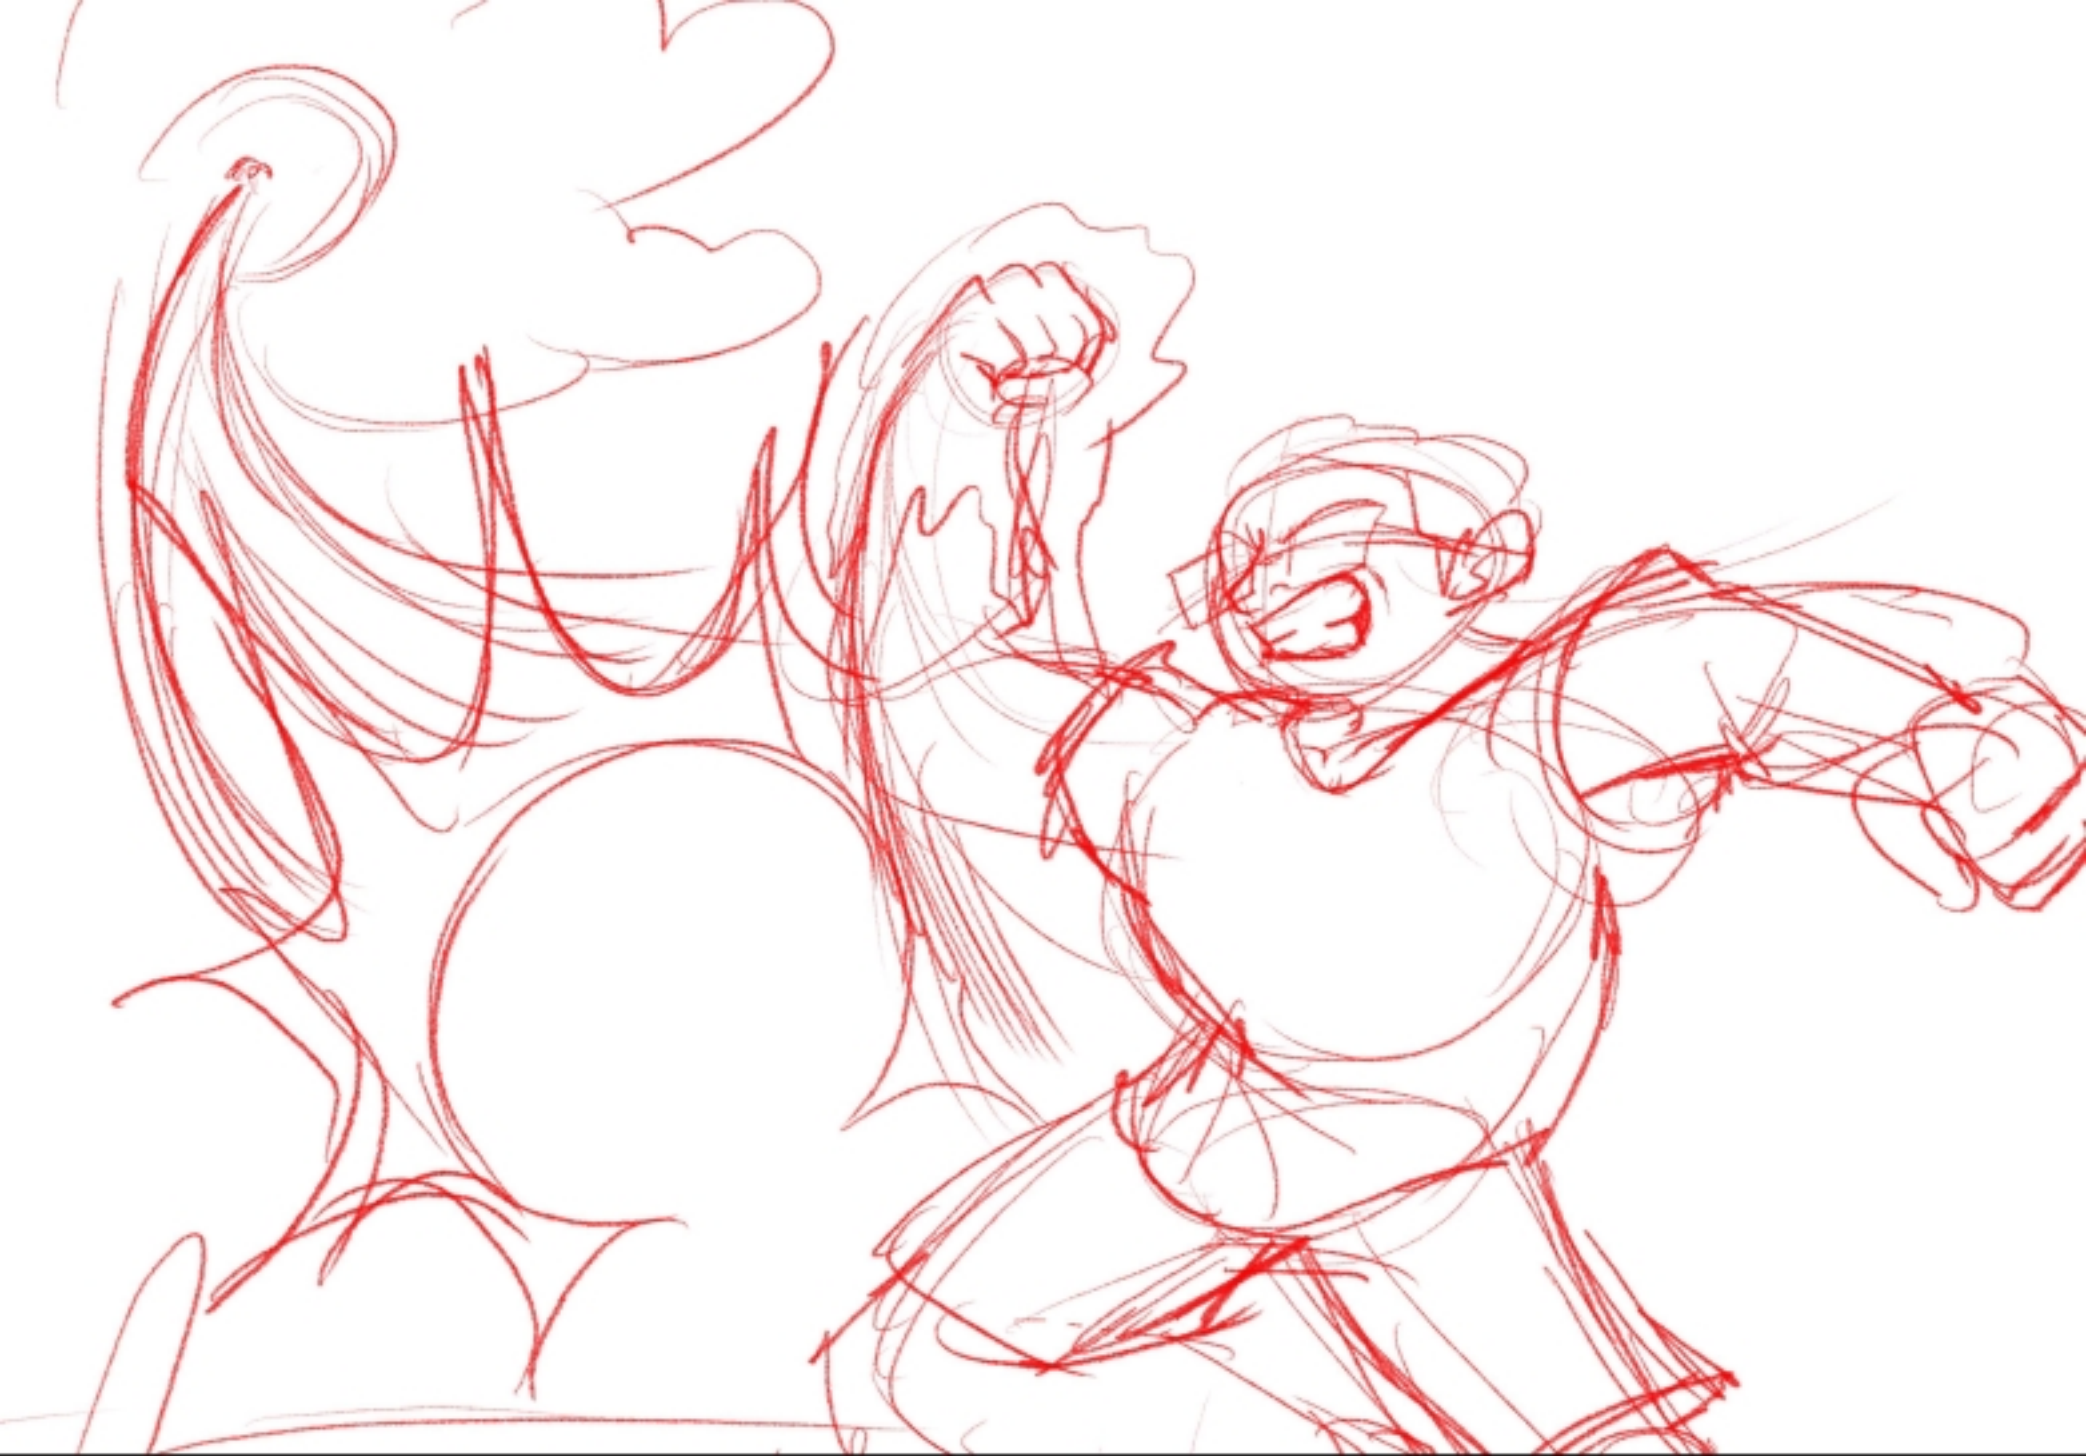

Last time,
I guess...

You don't
wanna biten,
huh?
How 'bout
you feel,
them!

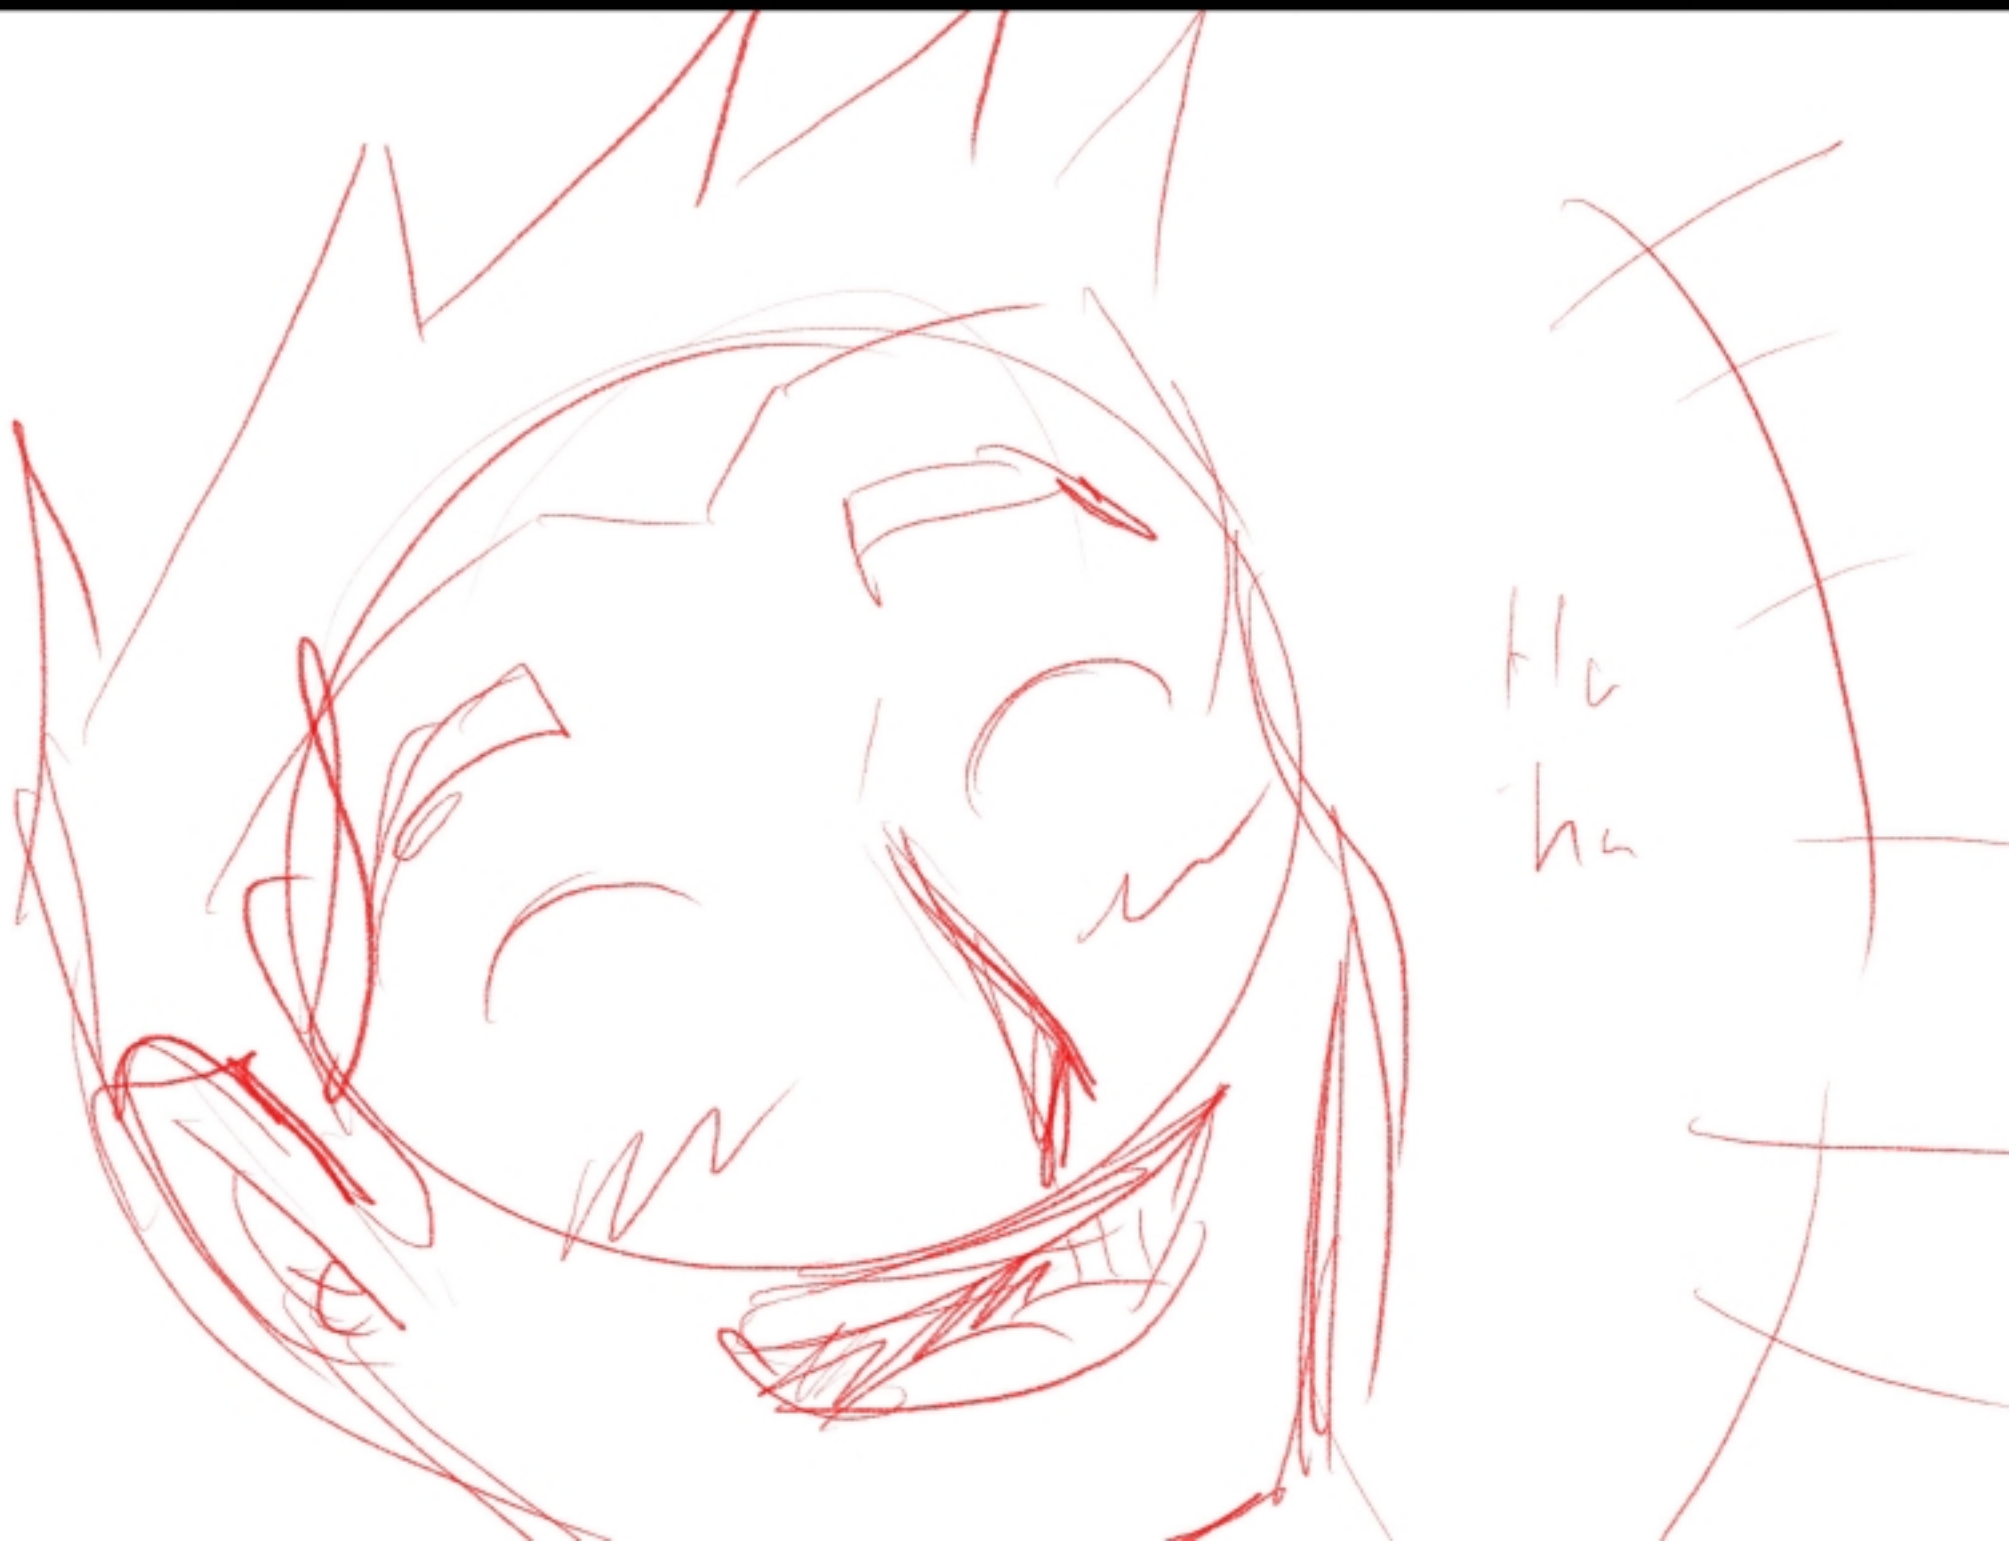

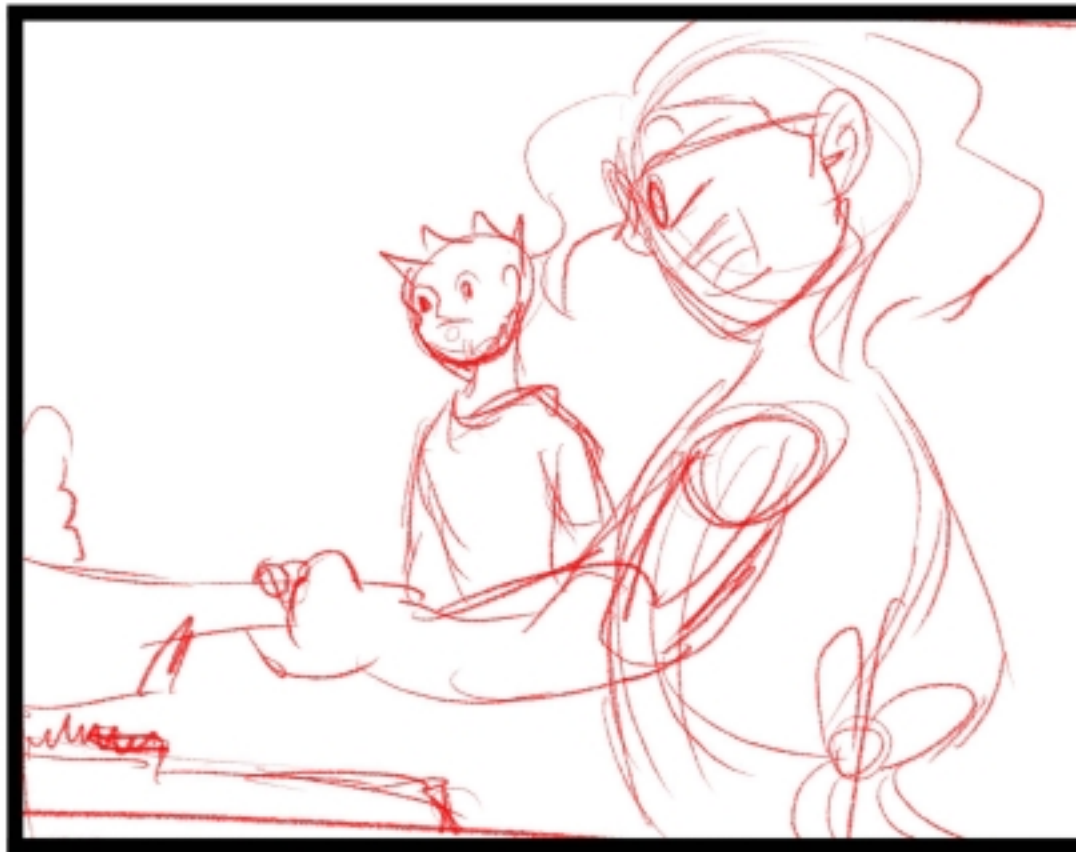

This is
my favourite
to make.

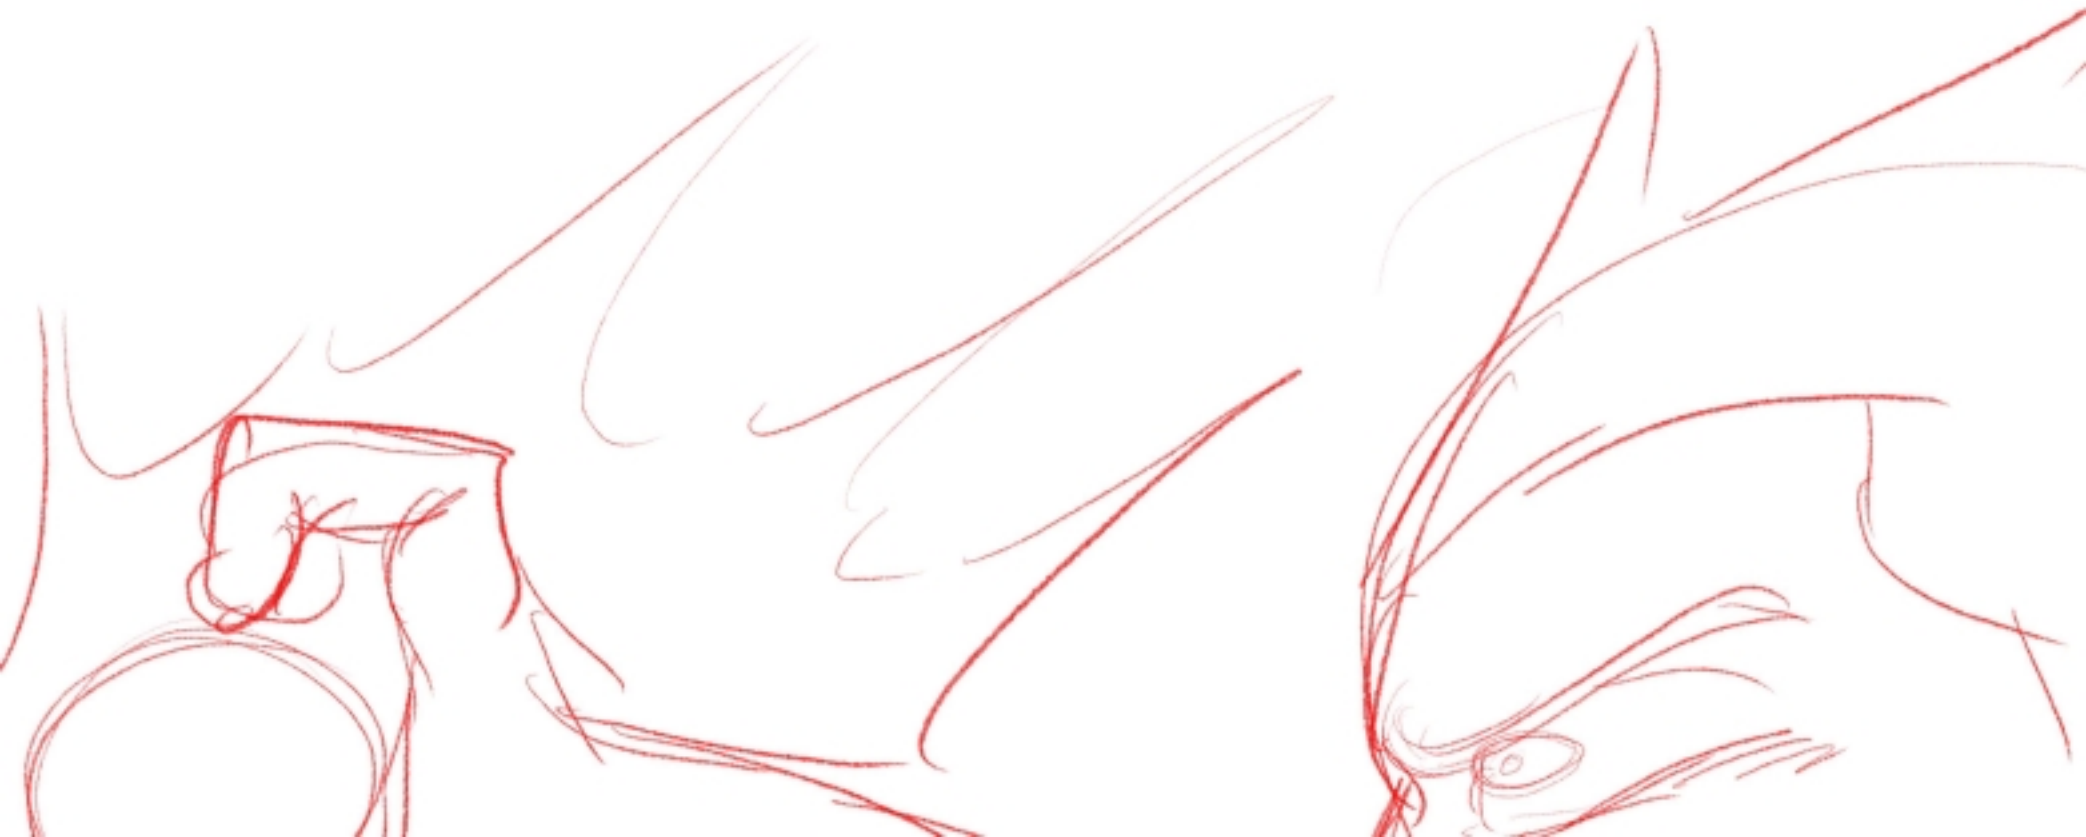

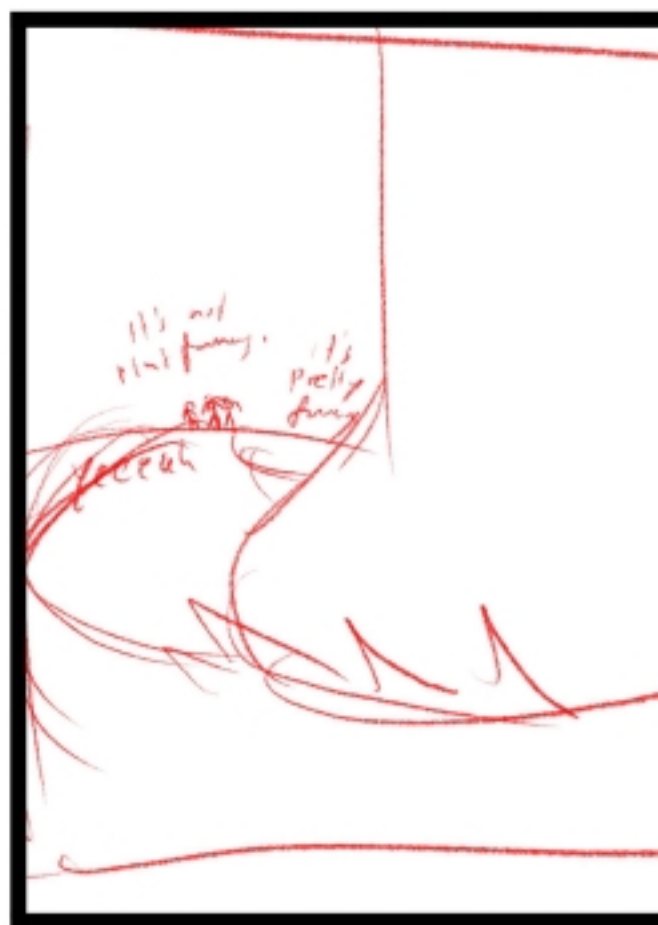

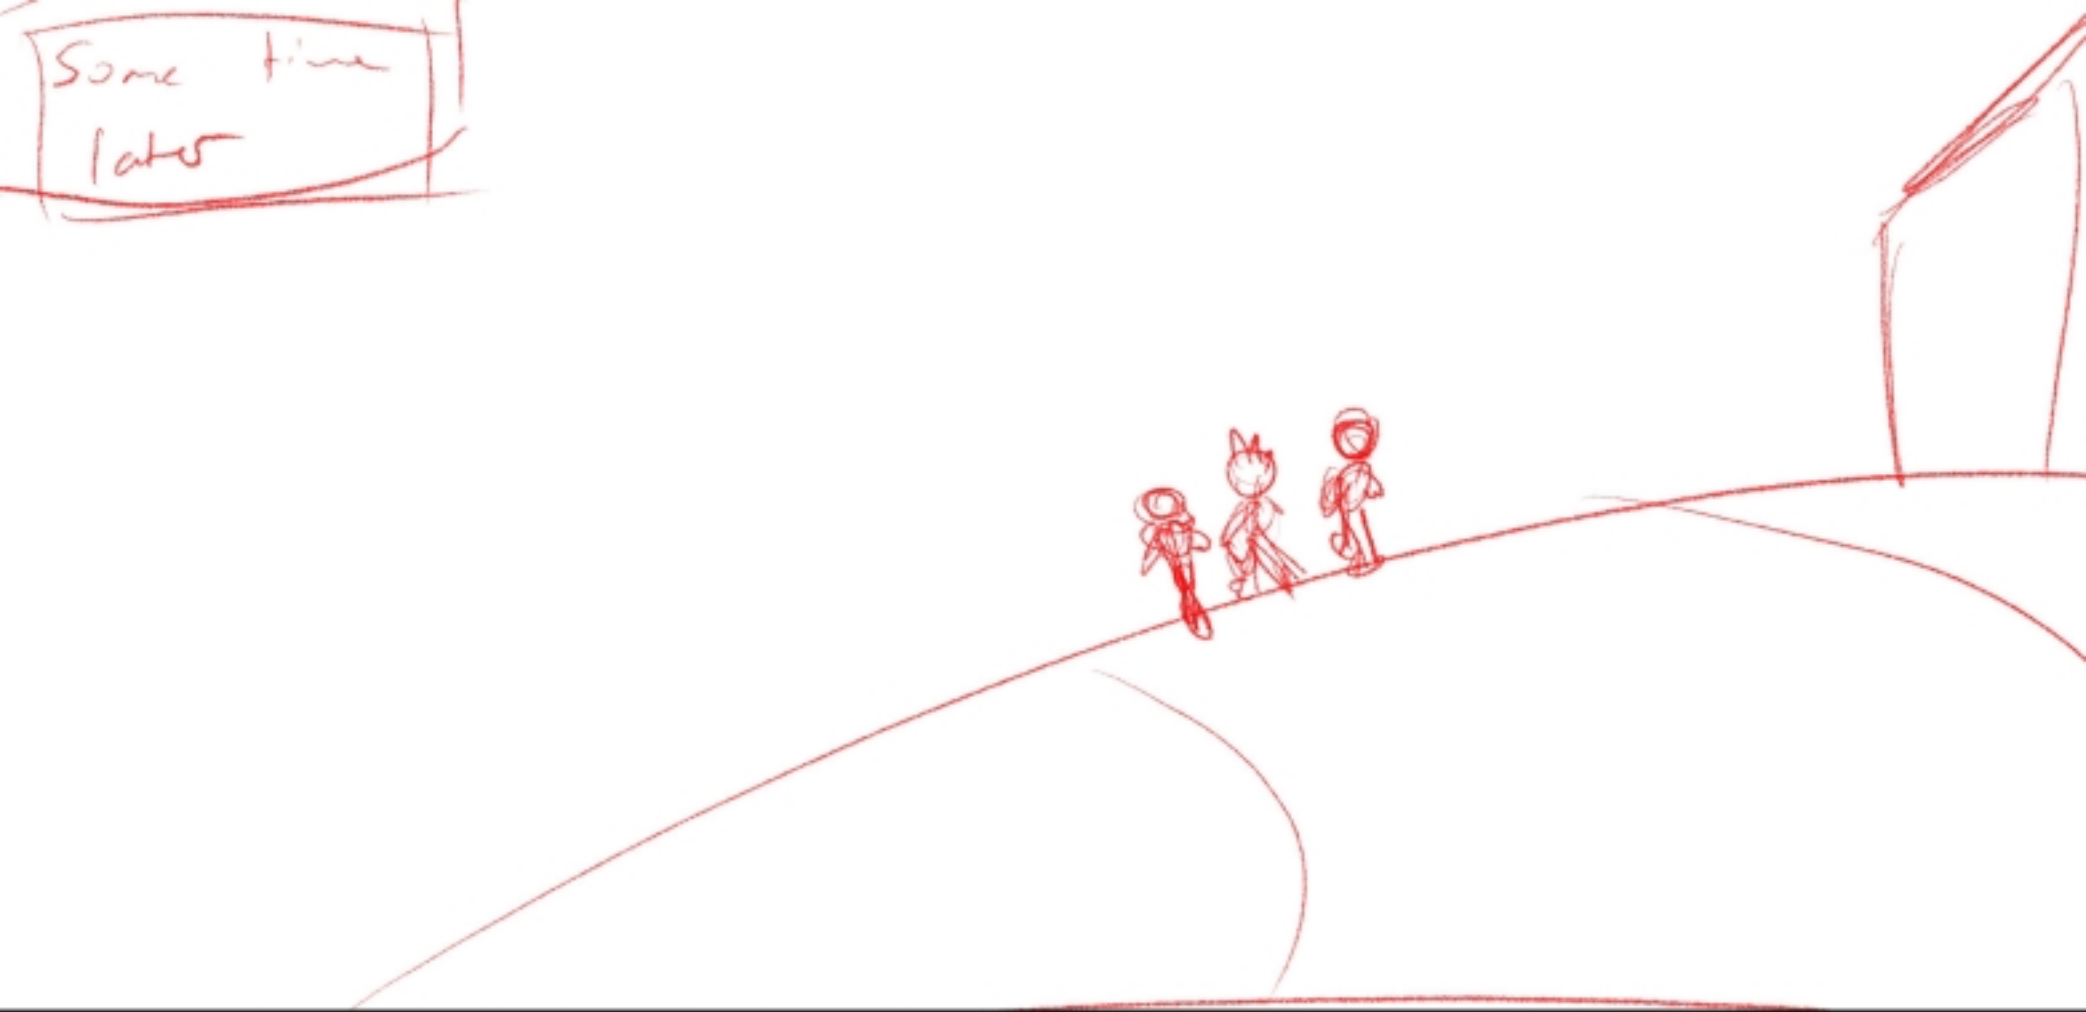

Awesome!
Check this
out!!

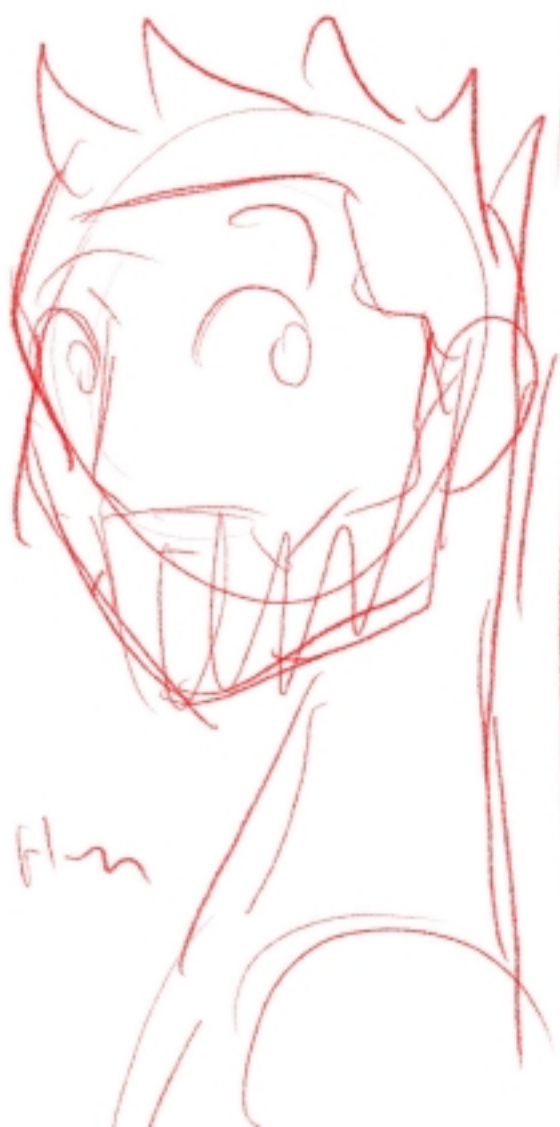

In
not
really
creative
but this
is my
dream.

Some time later

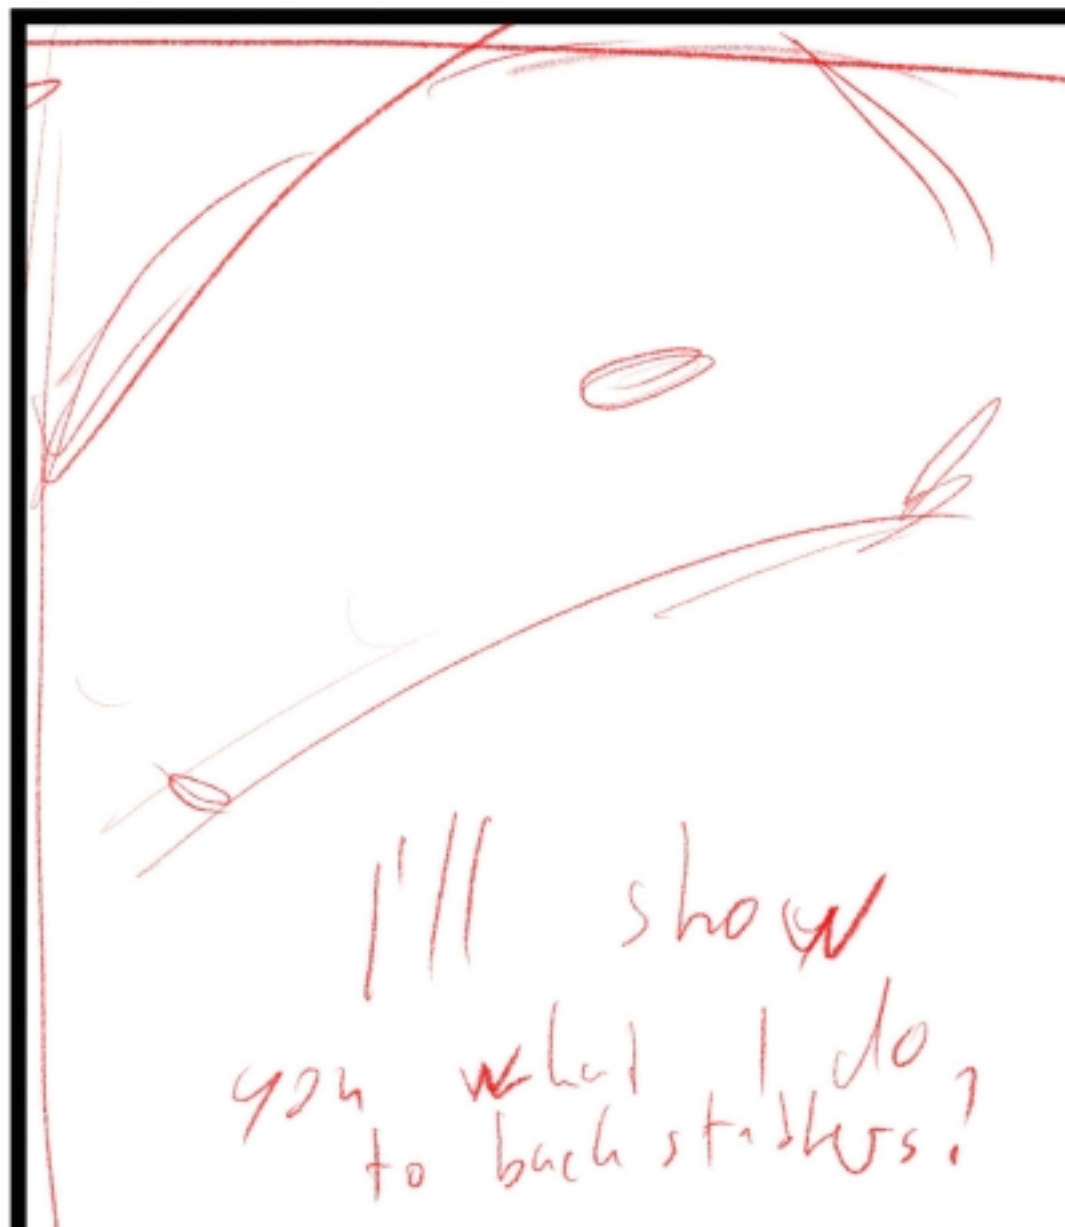

flm

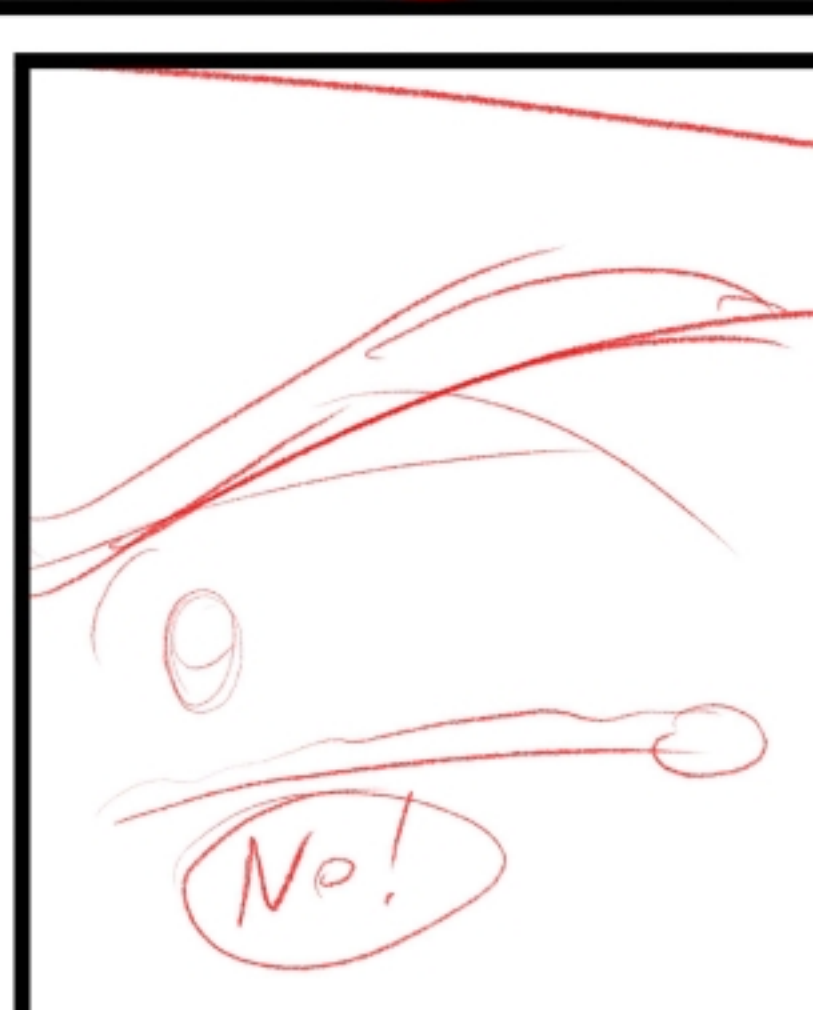

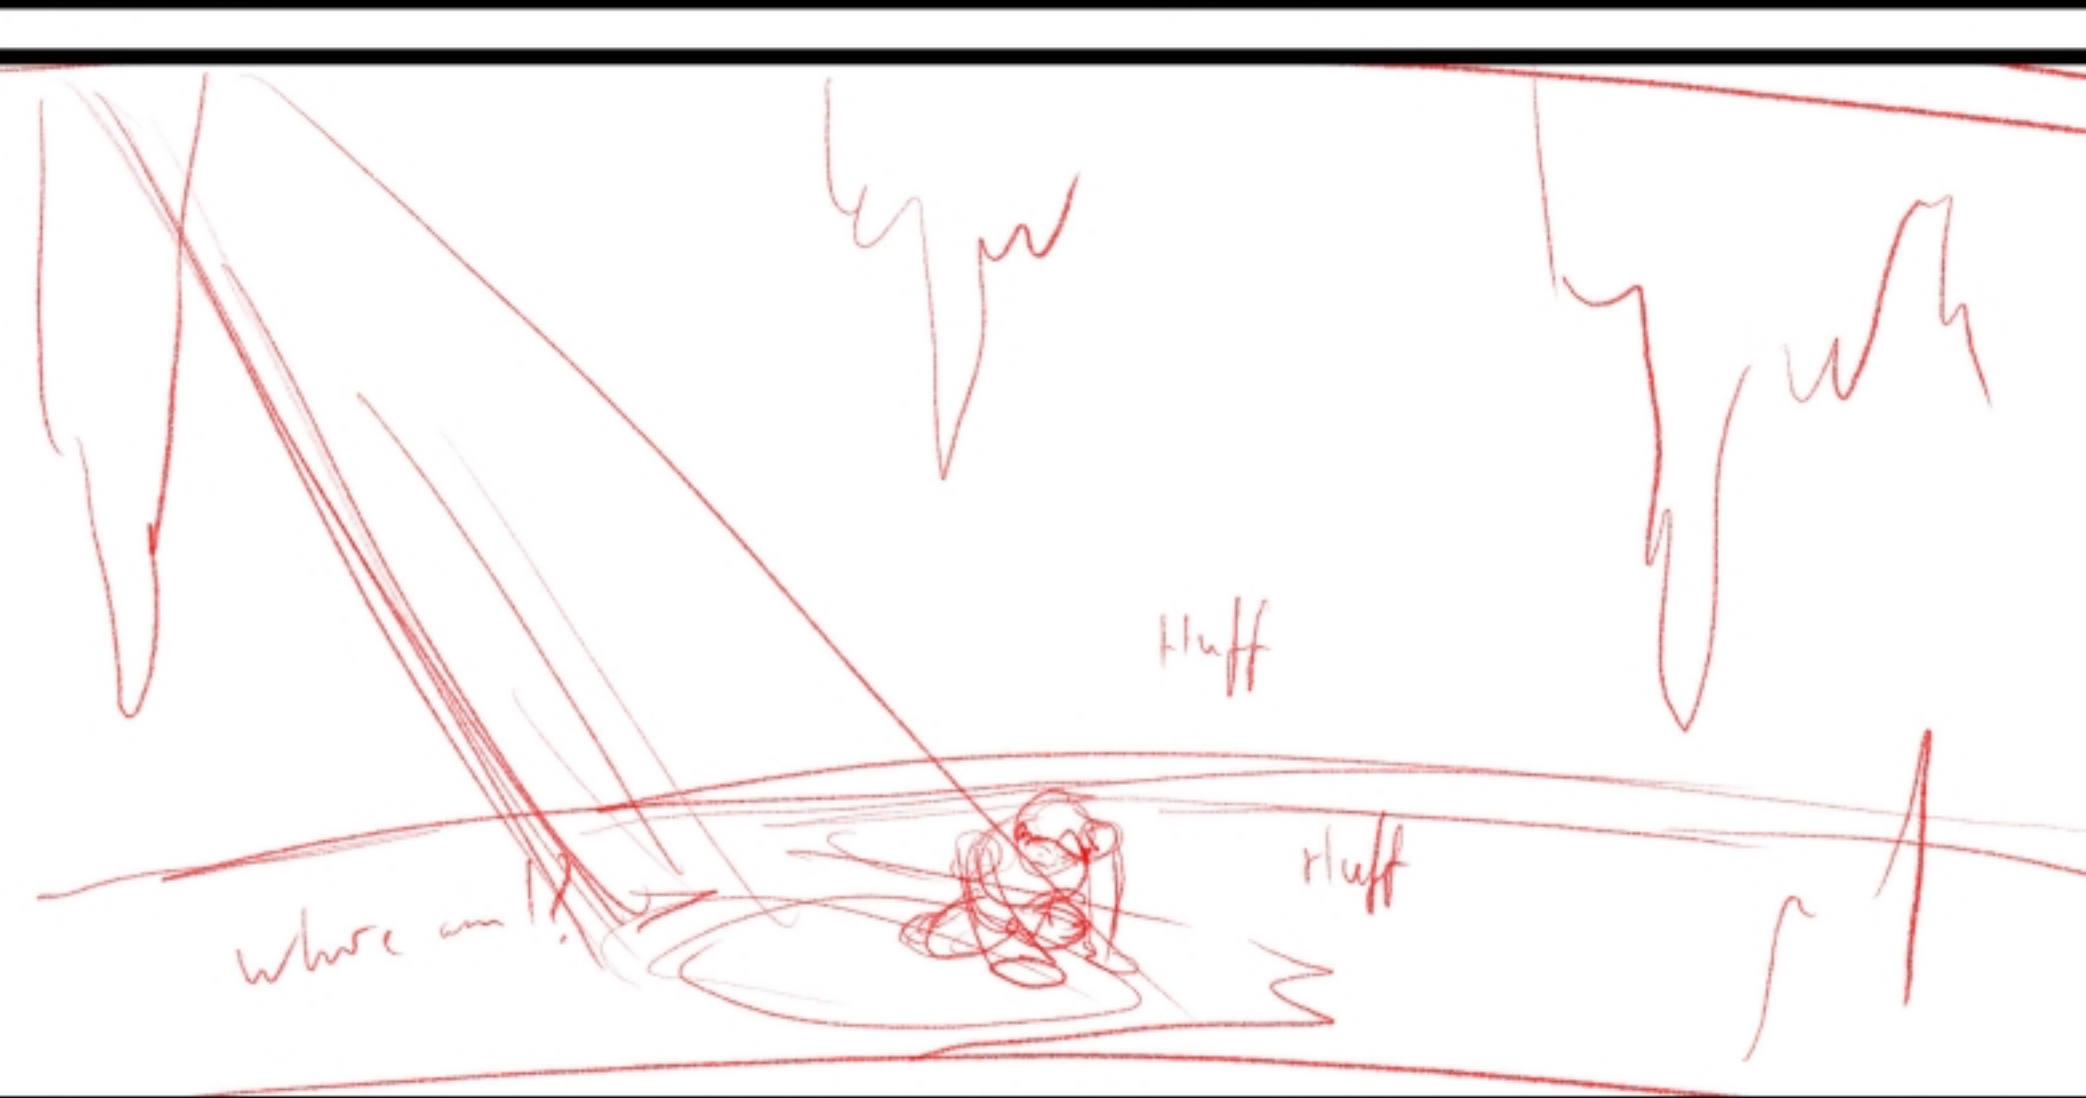

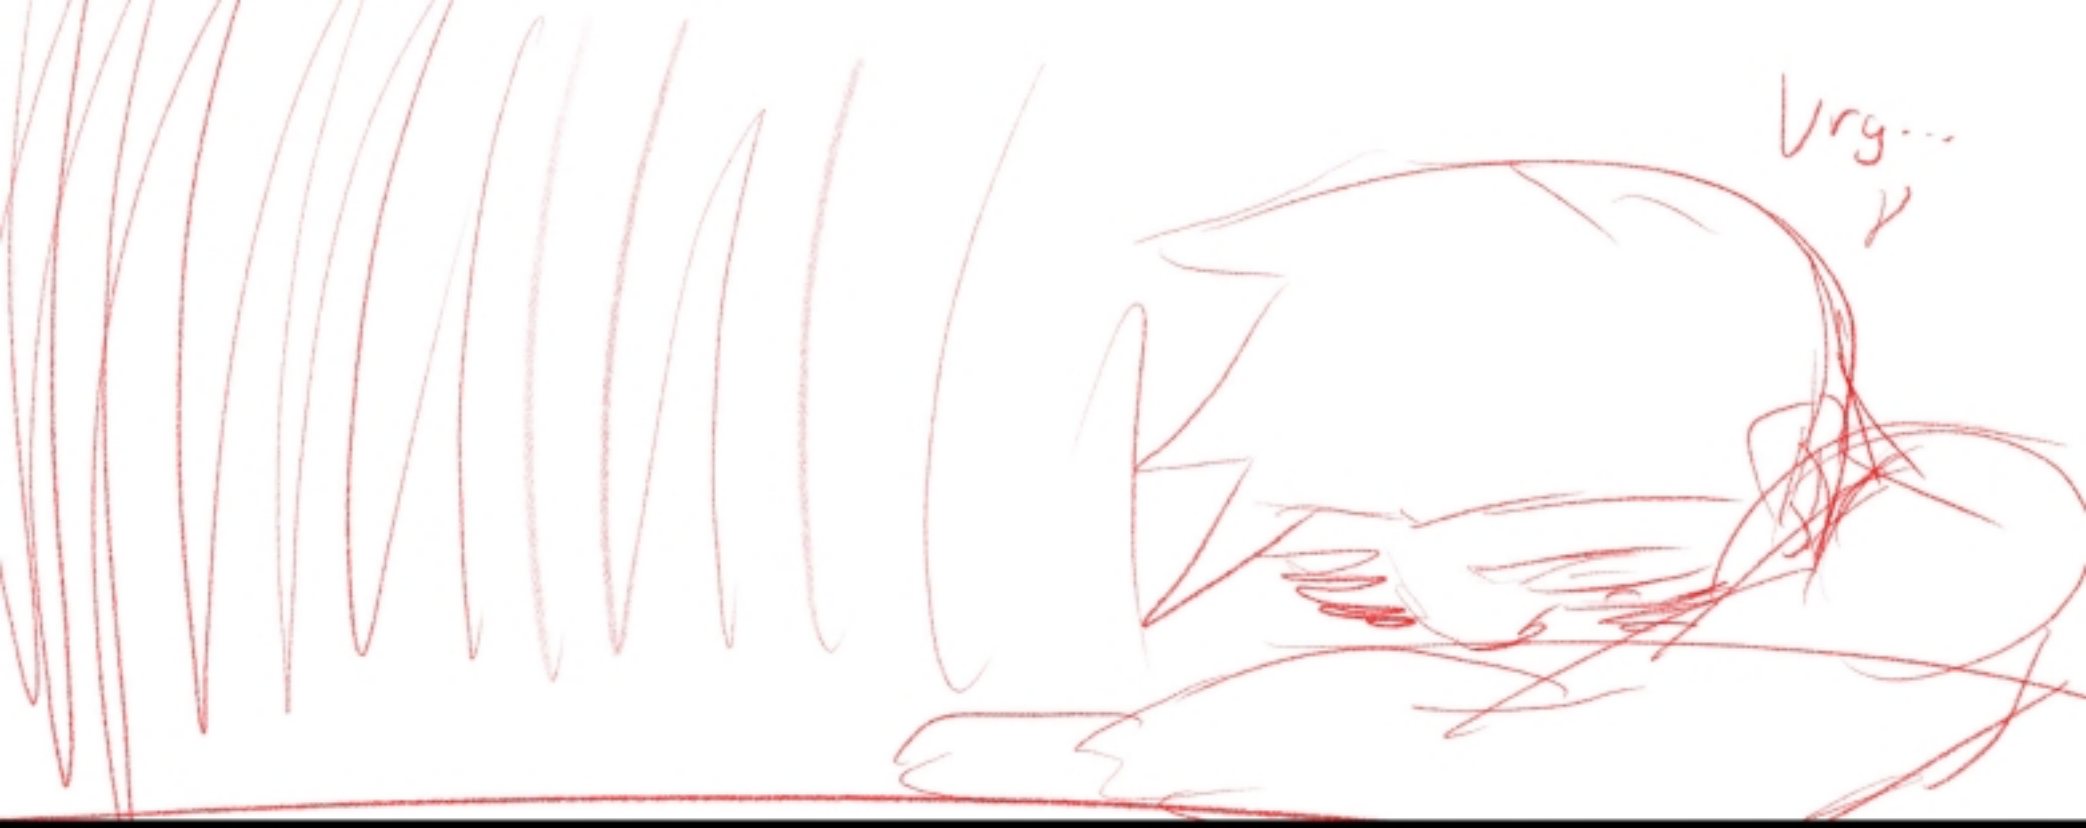

So, you
two think
you can just
smuggle de jure

I'll show
you what I do
to backstabbers!

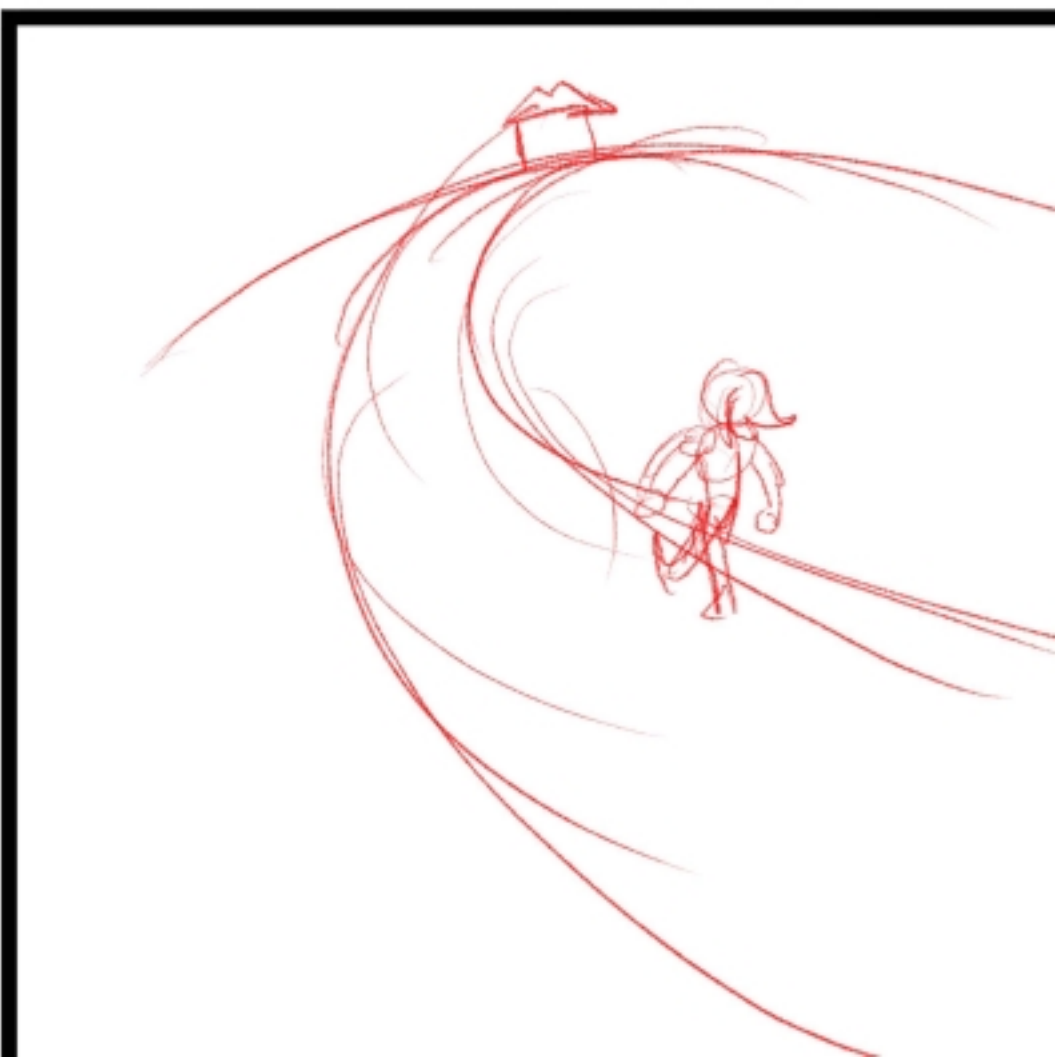

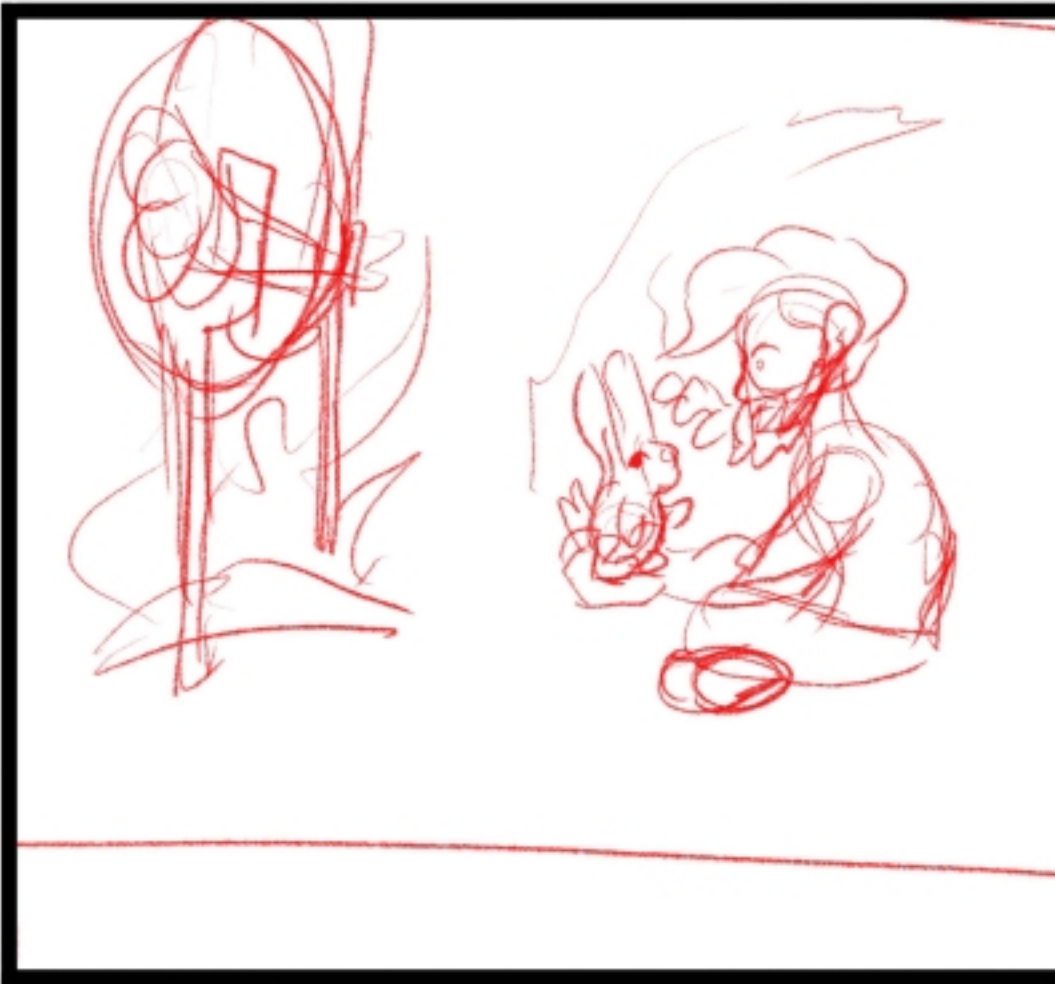

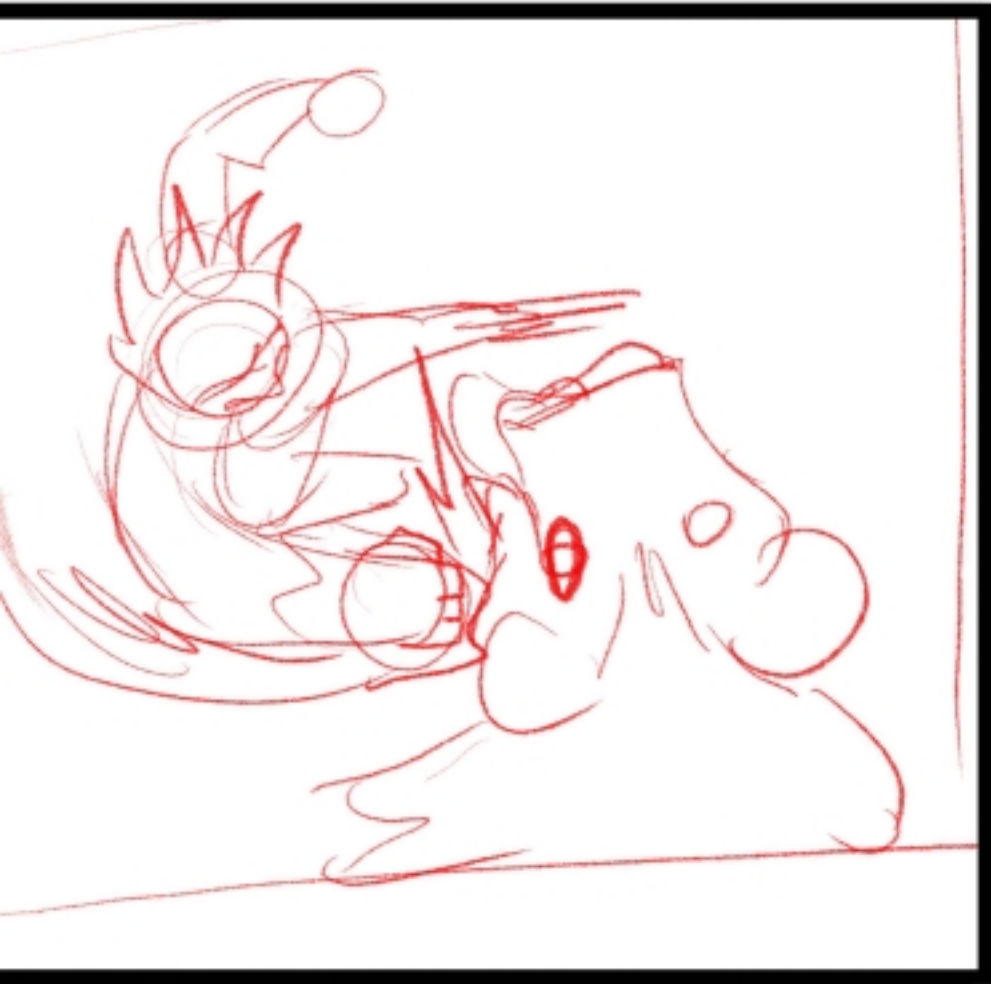

I can
do it!

SMIFF

I am
stronger!

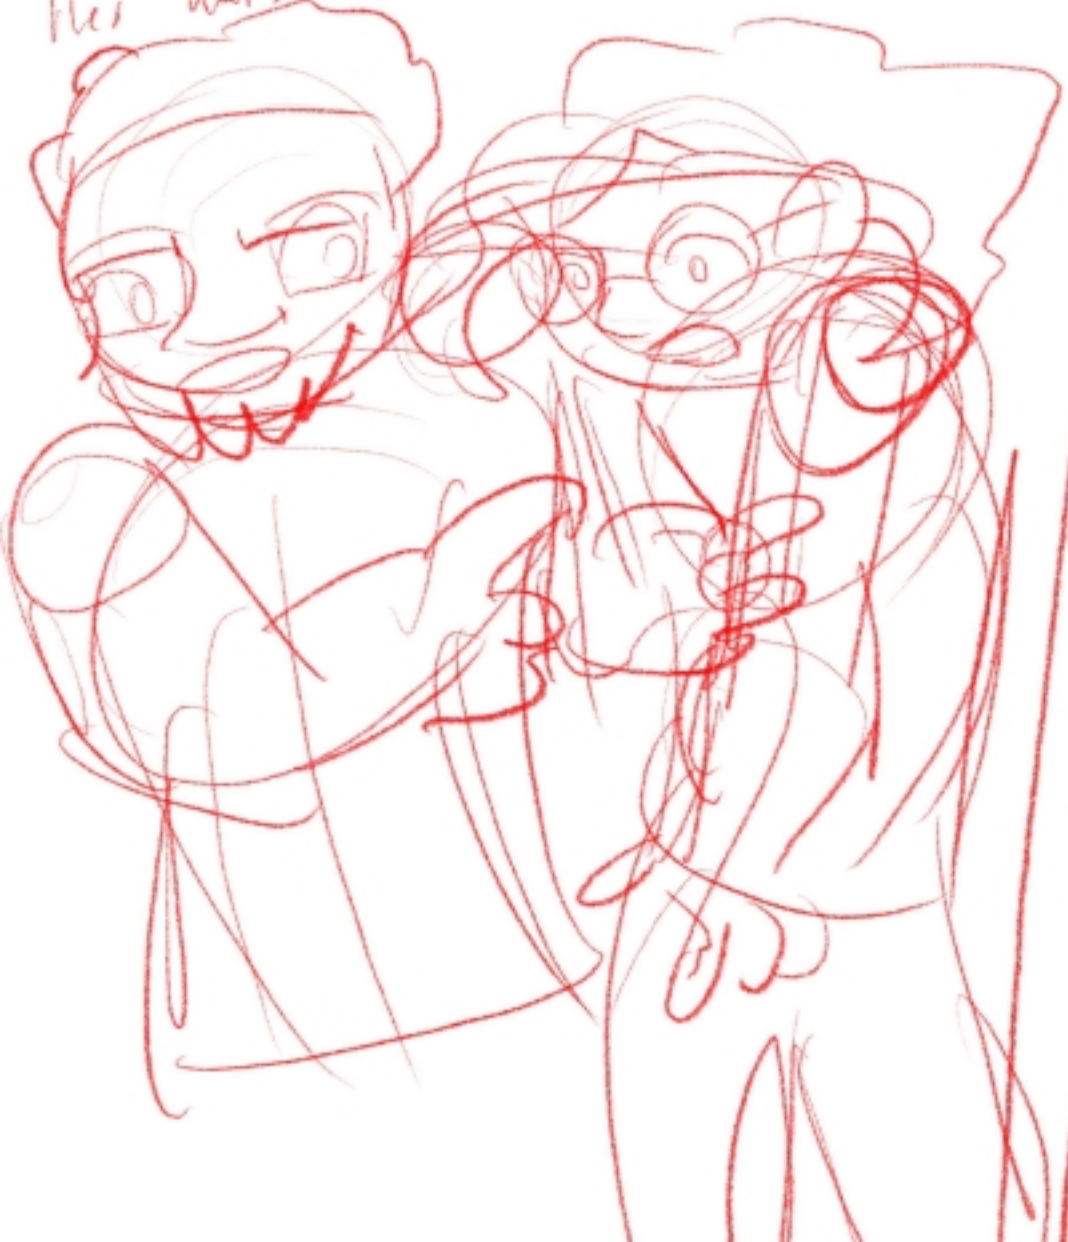

Get moving!
This moment to my glory
isn't going
build itself!

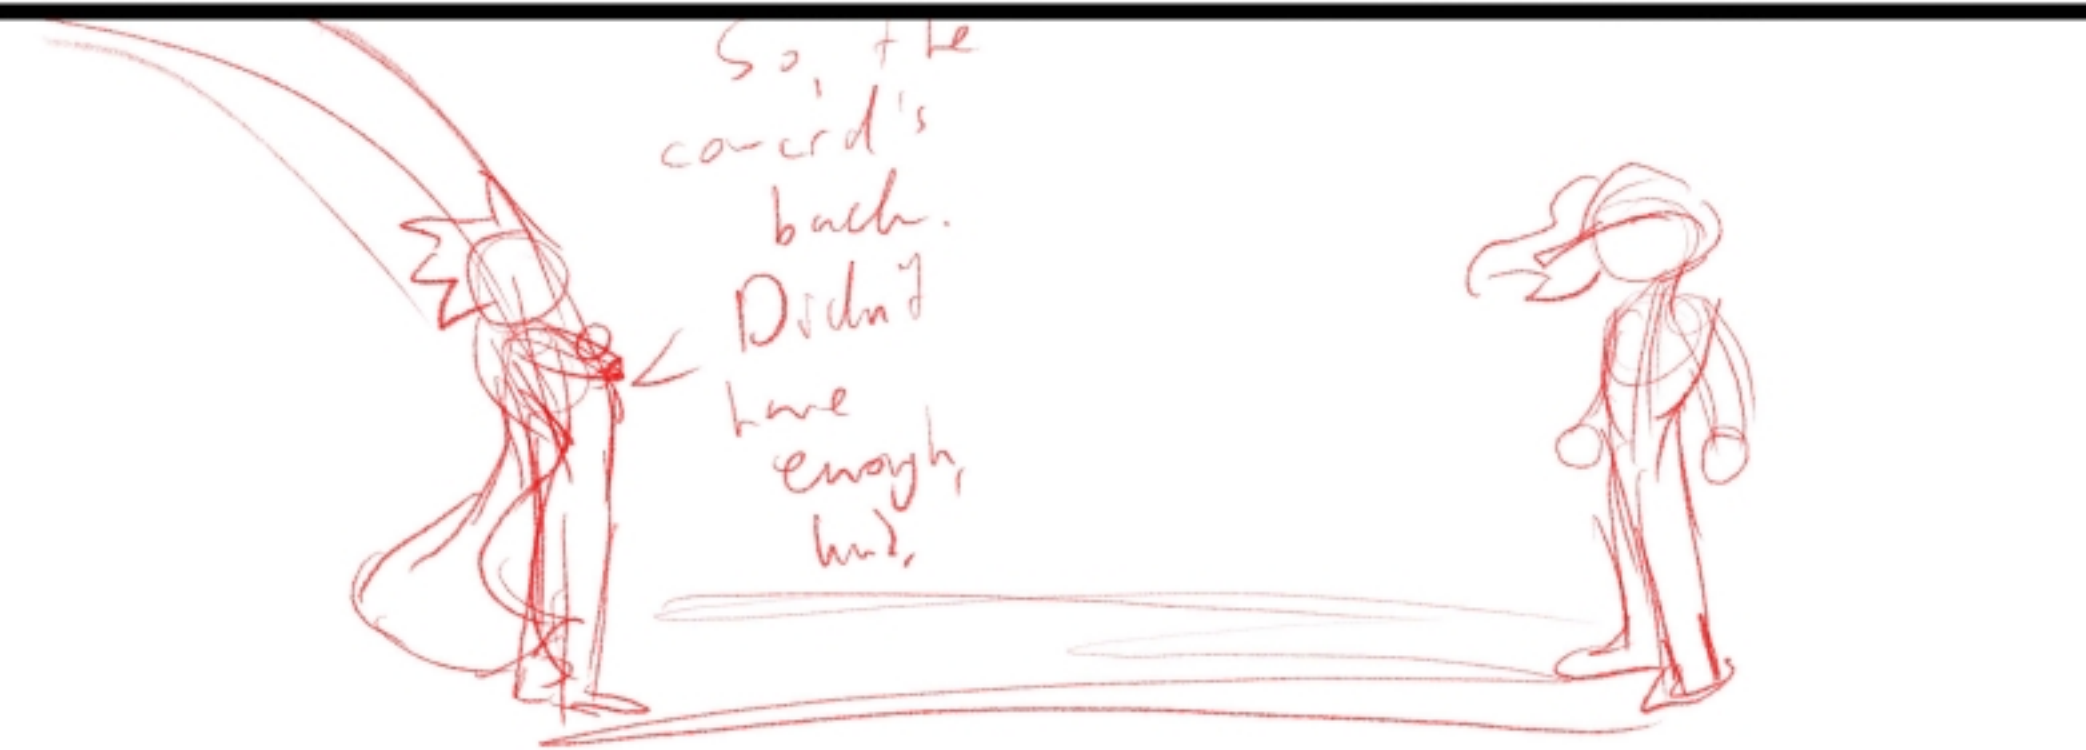

I can't do this
anymore!

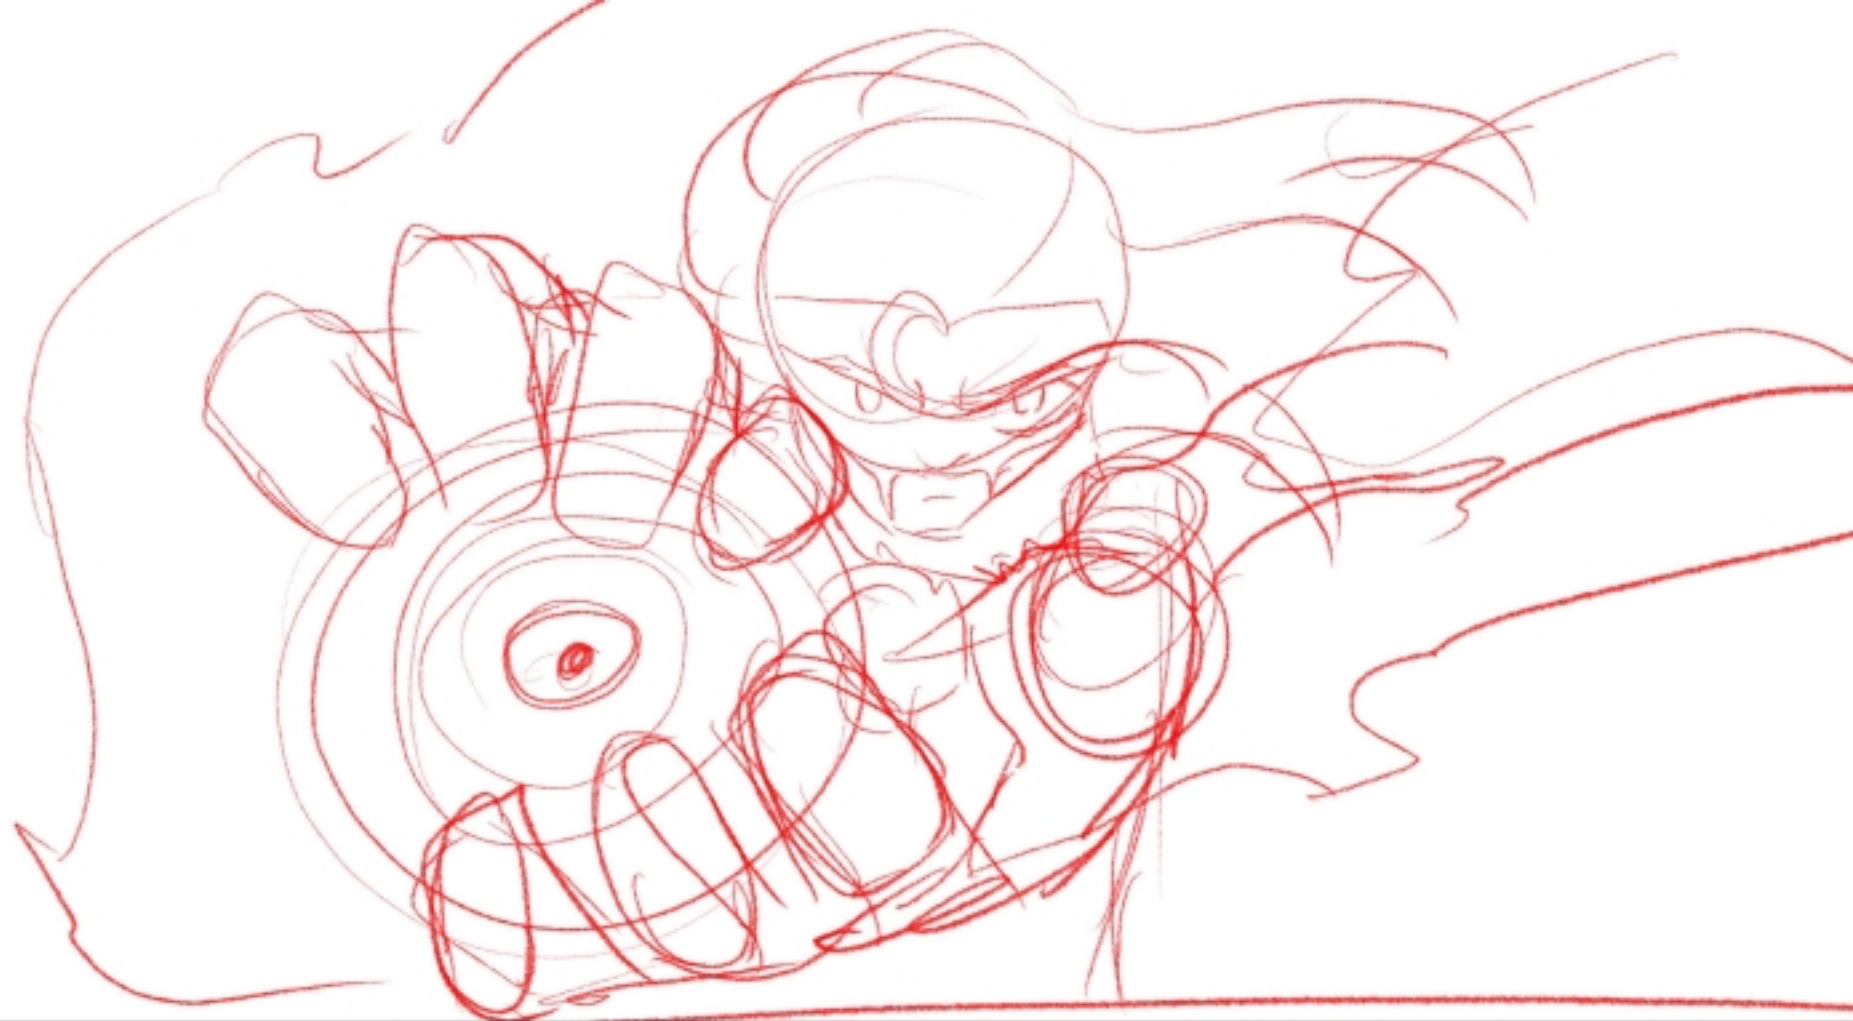

Haaw.
He's under

But I can
see hope!

I underestimated you!
A snivelling weakling like
you, I assumed a simple attack
would kill you.

No matter,
you won't
survive this!
