When Blizzard was younger, his beloved eldest brother, Neb 5r, was disowned and banished from the Elemental realm.

Blizzard was too scared to face his brother...

8 years of brutal warrior training later!

...because now, the role of the heir to one of the most powerful elemental Kingdoms was thrust upon him, as he had always feared.

Most were picked based on their Kingdom's rank, power level and the high chance of producing mighty offspring.

At age 19, Blizzard was expected to choose a wife from a hand picked list by his parents.

The girls were all very interested, polite, charming and adored Blizzard, but none caught his eye. However, there was one name on the list of a girl he did not recognize.

-chatter-

So he inquired to ask the young royal girls of this mysterious woman.

Do any of you know the "Aurora Princess of Shindou"?

GASP

That Kingdom is evil. You should stay away from her. She's creepy, dangerous and a HUGE bitch!

You're so handsome and strong, Blizzard!

Your magic and strength is impressive!

- rls -

these girls were just too sugary and fake...

Pick me to be your Queen!

You're interested in seeing my daughter? I have advice. Give up.

I've lost all hope in that girl ever finding a man to rule her.

Blizzard decided to pay a visit to Shadow Kingdom, a dark and quiet, strange place.

The King was cold and bitter, but tolerated him, if only slightly.

Hi~ what are you read-

Quiet. Can't you see I'm busy?

What are you screaming about now, woman? Hey, is that my burrito? It came FAST!

Hey, don't talk to your Emperor like that in front of the raven... woah, Blizzard's uglyyy...

NO, IT'S NOT YOU FUCKING MORON! IT'S BLIZZARD!

HE WAS ATTACKED WITH CORRUPT MAGIC! AND THAT'S THE SHADOW KING!

Hey, bird! What is the meaning of this? My son has never lost a battle! Who is strong enough to do such a thing?

...a letter?

Neb, you st- this wasn't a battle!

-snicker-

fff +

hehehe

Elena, our boy will be fine... the kids just touched each other of something... You're on down up... I'll probably use my appropriate...

Here, bird. Take my burrito. God, I wish I could give my congrats to the Shadow King on such a powerful child... but now we gotta take care of our lord!

Delivery! WHAT?!

THAT IS HIM OR SON NEARLY DIED!

My poor sweet baby! WHY was that evil little witch on your list? I would never include HER

WHY, NEB?! How could you?!

3 days later

HAHAHA He's in agony at the hand of a woman! That's why I added her!

It started years ago

Pipe down! You ^{uu}brute, and imbecile! I'm studying!

YOU USELESS WEAKLINGS FORGOT MY BARBEQUE SAUCE! I SHOULD BURN THIS PLACE TO THE GROUND

We're sorry, Emperor! We'll make you more! Please spare us!

Who here has a death wish?

Princess Raven, Stop! That Emperor will kill you and your Kingdom without hesitation.

Like I care about my parents Kingdom! I don't fear death! What's the point of living if I can't read?!

I like this girl. I will remember you...

Blizzard, please don't go back there! That insolent girl will KILL you if you're attacked again!

I'll be fine, Mother. That girl intrigues me so... I've never encountered one like her.

a week later

Oh... you're alive... and returning? What is it? Has the Nebula's Emperor declared war on my kingdom, thanks to my foolish girl?

Haah, no! He found it hysterical! I just wanted to talk to your daughter once more!

YOU ARE ALL A MAD SORT!

RAVELINE, GET ON THE GROUND AND APOLOGIZE!

PFFT! I'd love to see you try, Child!

Do you want to go somewhere private?

I don't have to listen to you. Another year and I'd be allowed to kill you and take your throne.

Fine. I don't care!

So.. why did you attack me with Shadow? That was the worst pain I ever felt... did I do something?

All due to the fact that I had disrespected your loud, rude and difficult father.

because I hate you, I hate your whole family.

when I was a girl, my father destroyed my most prized book.

Your Majesty!
The birth
of your child
was perfect.
It's a healthy
perfect tiny
princess.

Hmph,
a daughter.
How utterly
useless...
but fine, I
shall take
her.

DADDY
YOU'RE FINALLY
HOME! TEACH ME
SHADOW!

My most precious
little one is so bright
and eager to learn
our ancient art.

Daddy! Look!
I mastered a spell!

BRAVA!
bell is im!

Now,
Raveline,
remember
to always
be respectful
and quiet when
among the
Elemental
Sultans, and
they won't
bother
you. There
are some who
want to kill
you, if crossed.

Okay,
Daddy...
but I
thought
you could
take on any
Kingdom,
why worry?

There are Elemental Kingdoms
of equal match to me, there
will be no winners. It can
be rebuilt...but I can't replace
you, no girl.

You're 13 now, but
time flies. This is our
Kingdom's complete ancient
magic text. Take good
care of it.

I'm so
proud of
you.

Daddy, I can't read this book! It looks like scribbles and gibberish.

Ah, yes... it's a protective Seal... only a master of Shadow can read it. I only could start when I was an adult. I have faith in you.

Princess, let us go out at the Royal court! Your father is holding an important meeting!

I don't want to go anywhere...

I suppose I have no choice...

I want to learn this book as soon as possible...

So noisy in here, but I can tune it all out... this still looks strange and nonsensical...

wait...

The text is moving... it's becoming legible...

YOU USELESS WEAKINGS FORGOT MY BARBECUE SAUCE! I SHOULD BURN YOUR PLACE TO THE GROUND!

What have I done... I've let
Daddy down... I can't take it
back, or show weakness... or I'm
dead for sure... and then...

Ah. It's the brat of the old bird..

Just pretend he's the
Abyss....

Princess
Raven, please
Run your
place. The
Emperors can
kill you and
destroy your
kingdom!

she
used
telepathy..

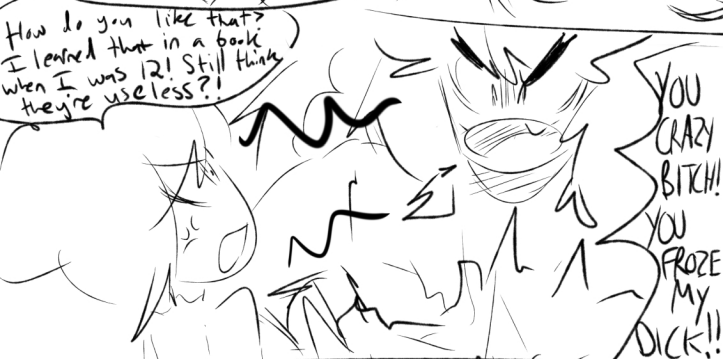

please...
beg him for
forgiveness...
I do it with you

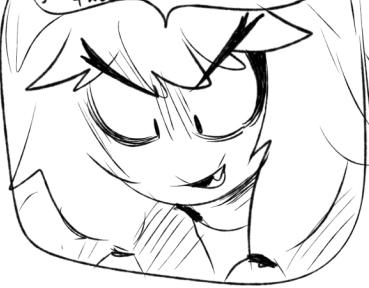

I'm
sorry,
but I
have to
not give
in...

I don't
care about
the Kingdom
of my parents.
And what's the
point of me
being alive if
I can't read
this time!

Hoho, oh you... I like this girl. I will remember your face and name. Raven Queen

I can't believe you nearly started a war while I went to pick up lunch... maybe the King hasn't heard... but unless gods are everywhere will be talking about this.

...

I heard what you did. In the middle of my meeting. You've brought shame to us, trouble-some daughter of mine! (C)

Sire, please don't be so hard on her! She's only a girl... she was defending her-

Yes, my Lord?

YOU'RE BANISHED.

Daddy,
you can't
banish Eris.
She's been my
nanny since I
was a baby!

Pipe down,
both of you.
Or I'll choose
execution
instead!

SIRE,
PLEASE!

And you...

I TOLD you
to keep your
mouth shut and
not to so much
as irritate the
other Elemental
rulers, yet you
picked a fight
WITH THE
WORST ONE!
WHAT FOR?!

You don't care
about our Kingdom.
You would RATHER
die for that book?
I heard everything.
There were HUNDREDS
of witnesses. I
shudder at the
thought of the war
and devastation that
could have resulted.

b-but... Daddy... he made me drop our
most treasured book... it got damaged.
I was just saying that stuff
to sound brave... he called grung
old bird... nothing bad
happened...

ENOUGH
EXCUSES!
I AM AN
OLD BIRD,
you've used
me terribly in
a matter of
HOURS! And
I couldn't care if
he ATE the book!

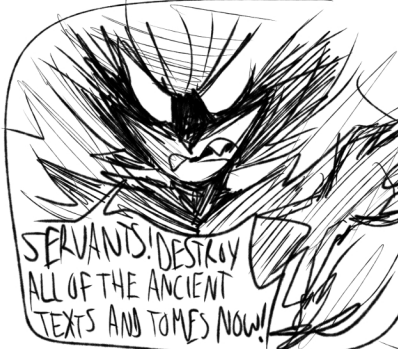

IN FACT, GIVE ME THAT DAMNNED THING!

NO!

Giving you this... teaching you... it was a mistake!

DADDY! HOW COULD YOU DESTROY OUR BOOKS?!

SERVANTS! DESTROY ALL OF THE ANCIENT TEXTS AND TOMES NOW!

DADDY! PLEASE DON'T DESTROY THE LIBRARY I'M SORRY.. I'M SO

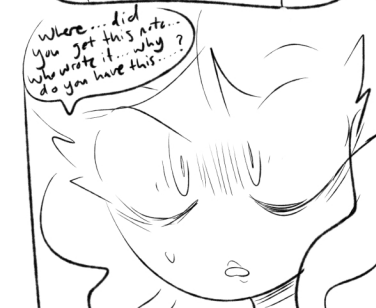

Goto your room...

You're not coming out until this... shameful scene you've caused... is down!

It took 3 months for that news to fade... but my reputation was ruined, my relation ship with my father was strained I lost my right to be taught an ancient language I'll never seen my old man again... all because your father didn't get barbeque sauce that day...

I-I... don't know what to say you have every right to hate me... that sounds about right

Are you serious...?
And she was given that when she was 13... How do you know about that?

Is it possible... there may be a copy somewhere? Raveline said her father destroyed their library.

Maybe... but you do realize what a user of that book is capable of? Why are you so keen on giving it to her...?

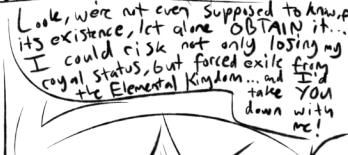

I feel horrible her youth and status was ruined...

I was pissed at our Dad for disowning Nebby... So I stole his special side of Barbecue sauce at the food court that day.

What are you even talk about.. The Shadow library was wiped over that? Father's stupidity knows no bounds.

I mean, they only serve it once a year in limited amounts... it takes ones to make and uses dragon blood... nevermind. He IS an idiot... so, do you think you might be able to obtain copy?

Look, we're not even supposed to know its existence, let alone OBTAIN it... its existence, let alone OBTAIN it... I could risk not only losing my royal status, but forced exile from the Elemental Kingdom... and take you down with me!

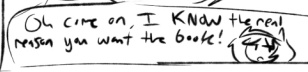

You're right.. it was stupid.. of me to even suggest. I'm sorry -

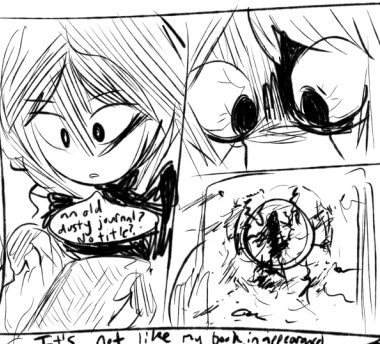

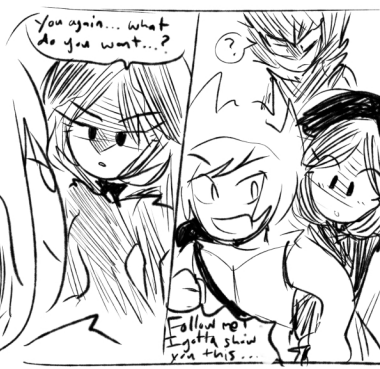

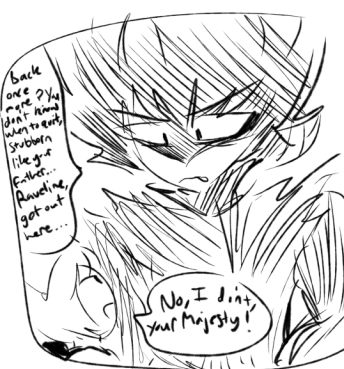

That's if one even exists, asking around will betray!

I've gotten a hold of other rare magic and forbidden books before... I can look... but what are you willing to give me in return?

Father, it's okay...
I'm fine really... He
was just trying to
help me!

Like hell
you're fine!
You're crying black
goo! Give me the
damned thing
right now!

SQUAWK

UBU BUBU
BUBU BUBU!
-SQUAWK-

Daddy
Are you
crying black
goo too? I
can't see right
now... blind!

Still
Sore! It's
so hot!
I'm
blacking
out!

What?!

No!! These
are tears of
joy! This is
my father's
original draft
of the Compendio
of Illusions!
Oscar is
A right, just
a second, don't
blizzard
put your
arm down!

The
book's
covered

My sight
is back!
I'm not 'blinded'
by the black
goo!

Your dad's
a literal
giant
bird?!

If you do anything foolish like glare
at the fully charged original draft again
I'll let you stay blind for a year!
I'm a DRAGON that has black feathers!
Your father is a Red Lion and your mother is
an ice giant!

I'm sorry, your Highness... I'm just... simply amazed.

Well, I mean, you're not wrong about that with my parents. Haha.

Spare the formalities, my name is Rine.

May I ask where you found that? My father made that for me when I was a boy... I could only read it by the time I was 16, but studying it every day made me absorb it all so deep... so it left an imprint.

Aren't you it, but I was able to take it all out of memory.

My... younger brother... he wouldn't tell me where he got it... You can't be asking for it but promise me you won't bother to get him sent to Enise?

Oh, I promise I won't do such. I already have a rough idea of which one of my servants it could be, but I need a lead on their identity.

but, Dad... that means my copy was the one you revise and reprinted... then that means... the whole library.

Yes, I've memorized the entire library by heart. I can just rewrite them... those are my father's, not my own... I've never seen any of them... but I'm grateful to see them in front of me.

I regret destroying his books... I'm sure he'd be disappointed.

If you weren't too busy loving me all these years, I would have told you if asked.

I was going to gift you a new library with your father's books... I'm surprised.

I preserved and archived the library for my future son, but then I had you instead.

A Daughter is much better, in my opinion.

How old is she?

Daad! Stop it!

Daughter, forgive my cruelty... I only did what I did because I was so terrified of losing you. You're my beautiful little girl. I was angry at Enise for not wanting you... I banished her, but I made sure she was not still in your taken care off...

I know, Daddy... I'm sorry for being angry at you... and I still love her letters.

Vanilla, it turned out to be legit. What do I do now? ...

Really?! sigh - Do I have to spell it for you? Obviously you...

Raveline, I need to tell you the truth. I'm one the who stole my dad's side of BBQ sauce... but I hid in fear when he got too angry... It's my fault your life was ruined... I'm sorry...

Oh, I've known that since we first touched... I never meant to hurt you... I just lost control when I read you, I should have asked first... I appreciate your honesty, though. It wasn't your fault... Your dad is just a giant toddler.

Now it's time to address the giant Avon-dragon in the room... I've seen the alternate realities of what could have occurred and they were GAIN.

AND I know exactly why you've went through all of this trouble and my answer is... yes, you have my blessing BUT only if you do ONE more thing...

Yep! But it's thanks to him we met and you were on my list... I only recall fragments... but we shared pain!

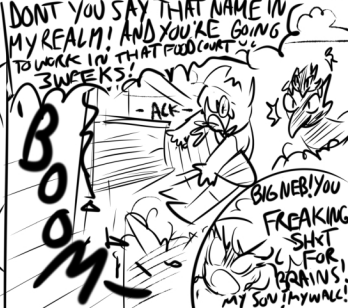

Um, Sure! Anything at all!

Hey, Dad... Remember that time we went to the Royal Food Court? I got the first your barbecue sauce...

Haha... yeah! I nearly burned down the whole place. I was even friggin' you there...

It was me! I took it. I'm sorry, Dad... I just missed. Nobody... I still do!

DONT YOU SAY THAT NAME IN MY REALM! AND YOU'RE GOING TO WORK IN THAT FOOD COURT 3 WEEKS!

BOOM!

BIGNER! YOU FREAKING SHIT FOR BRAINS! MY SOUTH YWALL!

3 weeks later...

How much longer?... We've been standing for HOURS. I mashed dragon hearts all day, every day in that kitchen!

Umph, yes, This will do. This will do very nicely, indeed. I just can't wait for the big occasion... all the admiration...!!!

Quit your crying! It was wayyy harder finding that book for you! And I'm nearly done.... Patience!

No!

What's the book? Are those notes? It's numbers and... diagrams?

Oh, I get it! You're making a sculpture of us... for the wedding! So impressive for your age!

Precisely. An ice sculpture specifically. I can't wait to bathe in glory!

You did all of this just so you could show me up... at my own wedding in front of the ENTIRE elemental Kingdom?!

Hey, I am an artist! And my work deserves recognition. Barely anyone cares about my combative ice magic! And everyone only remembers me for my stupid baby pictures!

Most impressive, you captured my gorgeous daughter and future son-in-law flawlessly. I can't wait to see it.

I came to inquire... about my father's book...

Why, thank you... wait I locked the door...
